

Burden Statement: The annual public reporting burden for this collection of information is estimated to average 52.1 hours per response for an estimated 25,159 respondents making one or more submissions of information annually. These estimates include the time needed to review instructions; develop, acquire, install and utilize technology and systems for the purposes of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. No person is required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for these regulations are displayed in 40 CFR part 9.

Respondents/Affected Entities: Entities potentially affected by this action are owners or operators of facilities that manufacture, process or otherwise use certain specified toxic chemicals and chemical categories, which are required under EPCRA section 313 to report annually on the environmental releases and transfers of and waste management activities for such chemicals.

Estimated No. of Respondents: 27,235.

Estimated Total Annual Burden on Respondents: 7,321,441 hours.

Frequency of Collection: Annually.

According to the procedures prescribed in 5 CFR 1320.12, EPA has submitted this ICR to OMB for review and approval. Any comments related to the renewal of this ICR should be submitted within 30 days of this document, as described above.

Dated: December 21, 1999.

Richard T. Westlund,

Acting Director, Collection Strategies Division, Office of Environmental Information.
