

*Applicants:* Xcel Energy Operating Companies.

*Description:* Xcel Energy Services Inc on behalf Southwestern Public Service Company submits First Revised Sheet 8 et al. to FERC Electric Tariff, First Revised Volume 1, effective 11/1/06.

*Filed Date:* 08/31/2006.

*Accession Number:* 20060905-0098.

*Comment Date:* 5 p.m. Eastern Time on Thursday, September 28, 2006.

Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St. NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or call

(866) 208-3676 (toll free). For TTY, call (202) 502-8659.

## ENVIRONMENTAL PROTECTION AGENCY

[EPA-R01-OAR-2006-0226; A-1-FRL-8221-1]

### Adequacy Status of Motor Vehicle Budgets in Submitted State Implementation Plan for Transportation Conformity Purposes; Maine; Maintenance Plan Motor Vehicle Emissions Budgets for the Portland Maine 8-Hour Ozone Area, and the Hancock, Knox, Lincoln and Waldo Counties Maine 8-Hour Ozone Area

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of adequacy.

**SUMMARY:** In this notice, EPA is notifying the public that EPA has found that the 2016 motor vehicle emissions budgets in the August 3, 2006 Maine State Implementation Plan (SIP) revision are adequate for transportation conformity purposes. The submittal included MOBILE6.2 motor vehicle emissions budgets for 2016 for the Portland Maine 8-Hour Ozone Area, and the Hancock, Knox, Lincoln and Waldo Counties (Midcoast) Maine 8-Hour Ozone Area. On March 2, 1999, the DC Circuit Court ruled that budgets in submitted SIPs cannot be used for conformity determinations until EPA has affirmatively found them adequate. As a result of our finding, the Portland Maine 8-hour ozone area and the Midcoast Maine 8-hour ozone area can use the MOBILE6.2 motor vehicle emissions budgets from the submitted plan for future conformity determinations.

**DATES:** These motor vehicle emissions budgets are effective October 5, 2006.

**FOR FURTHER INFORMATION CONTACT:** Donald O. Cooke, Environmental Scientist, Air Quality Planning Unit, U.S. Environmental Protection Agency, EPA New England Regional Office, One Congress Street, Suite 1100 (CAQ), Boston, MA 02114-2023, (617) 918-1668, [cooke.donald@epa.gov](mailto:cooke.donald@epa.gov).

**SUPPLEMENTARY INFORMATION:** Throughout this document, whenever "we," "us" or "our" is used, we mean EPA.

Today's notice is simply an announcement of a finding that we have

already made. EPA New England sent a letter to Maine Department of Environmental Protection on September 8, 2006, stating that the 2016 MOBILE6.2 motor vehicle emissions budgets in the August 3, 2006 State Implementation Plans (SIPs) are adequate for transportation conformity purposes. This finding will also be announced on EPA's conformity Web site: <http://www.epa.gov/otaq/stateresources/transconf/adequacy.htm>, (once there, click on "What SIP submissions has EPA already found adequate or inadequate?"). The adequate motor vehicle emissions budgets (MVEBs) are provided in the following table:

ADEQUATE MOTOR VEHICLE EMISSIONS BUDGETS

	VOC (tons per summer day)	NO <sub>x</sub> (tons per summer day)
Year 2016 MVEBs for the Portland 8- hour Ozone Area .....	16.659	32.837
Year 2016 MVEBs for the Midcoast 8- hour Ozone Area .....	3.763	6.245

Transportation conformity is required by section 176(c) of the Clean Air Act. EPA's conformity rule requires that transportation plans, programs, and projects conform to state air quality implementation plans and establishes the criteria and procedures for determining whether or not they do. Conformity to a SIP means that transportation activities will not produce new air quality violations, worsen existing violations, or delay timely attainment of the national ambient air quality standards.

The criteria by which we determine whether a SIP's motor vehicle emission budgets are adequate for conformity purposes are outlined in 40 CFR 93.118(e)(4). Please note that an adequacy review is separate from EPA's completeness review, and it also should not be used to prejudice EPA's ultimate approval of the SIP. Even if we find a budget adequate, the SIP could later be disapproved.

We have described our process for determining the adequacy of submitted SIP budgets in a May 14, 1999 memorandum entitled "Conformity Guidance on Implementation of March 2, 1999 Conformity Court Decision." Additional guidance on EPA's adequacy

process was published in a July 1, 2004 **Federal Register** final rulemaking, "Transportation Conformity Rule Amendments for the New 8-hour Ozone and PM<sub>2.5</sub> National Ambient Air Quality Standards and Miscellaneous Revisions for Existing Areas; Transportation Conformity Rule Amendments; Response to Court Decision and Additional Rule Changes" (69 FR 40004). We followed this guidance in making our adequacy determination.

**Authority:** 42 U.S.C. 7401-7671q.

Dated: September 11, 2006.

**Robert W. Varney,**

*Regional Administrator, EPA New England.*

### Notification of Closure of the EPA Headquarters Library

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** The EPA Headquarters Library will close its doors to walk-in patrons and visitors on October 1, 2006. This notice provides information regarding how members of the public can access EPA documents held in the Headquarters Repository Library collection and in electronic format.

**FOR FURTHER INFORMATION CONTACT:** Jeff Tumarkin, Mailcode 2843T, Office of Environmental Information, Information Access Division, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460; telephone number: (202) 566-0681; e-mail address: [Tumarkin.Jeff@epa.gov](mailto:Tumarkin.Jeff@epa.gov).

**SUPPLEMENTARY INFORMATION:** The trend in recent years has shown a shift in the ways that people request and receive library services from EPA. With more material available online and electronically, EPA has found that its employees and the public are finding the materials they need from EPA's web site and they are requesting more information electronically. In addition, with tighter security at Federal facilities, the public's physical visits to the EPA Headquarters Library have been declining. These trends, in addition to reductions in the library's FY07 budget, suggested to EPA that it needed to use information technology to improve its delivery of library services to EPA and public patrons. Library services for EPA staff and the public will be maintained as detailed in the new EPA Library

Network National Framework which is available online at <http://www.epa.gov/natlibra/>.

Beginning October 1, 2006, the EPA Headquarters Library, located in Room 3340 in the EPA West Building, located at 1301 Constitution Ave., NW., Washington, DC, will become one of three EPA repositories for paper copies of EPA documents, reports and publications. The other two repositories will be located at the EPA-RTP Library, 109 T.W. Alexander Drive, Durham, NC 27711, and at the Andrew W. Breidenbach Environmental Research Center, 26 W. Martin Luther King Dr., Cincinnati, OH 45268. Public access to EPA's valuable documents collections continues to be a critical mission of the EPA Libraries. Thousands of EPA documents and reports can be accessed in full-text electronic format through the National Environmental Publications Information System (NEPIS) at <http://nepis.epa.gov/>. Members of the public can also search for EPA documents in the libraries' catalog at <http://www.epa.gov/natlibra/ols.htm>. Once items of interest are identified, they can be borrowed via interlibrary loan thru participating institutions. The public will continue to have access to environmental information thru the EPA Regional Libraries remaining open <http://www.epa.gov/natlibra/libraries.htm>.

The answers to many questions about EPA and its activities can be found in the Agency's Frequently Asked Questions database which can searched online at <http://publicaccess.custhelp.com/>. Additionally, the public will continue to have access to comprehensive environmental information via the EPA Web site at <http://www.epa.gov>.

Dated: September 13, 2006.

**Linda A. Travers,**

*Acting Assistant Administrator and Chief Information Officer, Office of Environmental Information.*

### Notice of Receipt of Requests for Amendments to Delete Uses in Certain Pesticide Registrations; Technical Correction

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** On September 1, 2006, EPA issued a Notice of Receipt of Requests for Amendments by Registrants to Delete Uses in Certain Pesticide Registrations. Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be amended to delete one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any request in the **Federal Register**. The September 1 Notice inadvertently included a request to delete both cotton and pome fruit from EPA Registration 264-805, Thiacloprid Technical, and EPA Registration 264-806, Calypso 4 Flowable Insecticide. The Notice should have listed a request to delete only cotton from these registrations.

**DATES:** Because this technical correction removes one use deletion request, the effective date for the remaining use deletions remains unchanged from the September 1 Notice. The remaining deletions are effective February 28, 2007, unless the Agency receives a written withdrawal request on or before February 28, 2007. The Agency will consider a withdrawal request postmarked no later than February 28, 2007.

Users of these products who desire continued use on crops or sites being deleted should contact the applicable registrant on or before February 28, 2007.

**ADDRESSES:** Submit your withdrawal request, identified by docket identification (ID) number EPA-HQ-OPP-2006-0099, by one of the following methods:

- **Mail:** Attention: John Jamula, Information Technology and Resources Management Division (7502P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.

- **Delivery:** OPP Regulatory Public Docket (7502P), Environmental Protection Agency, Rm. S-4400, One Potomac Yard (South Building), 2777 S. Crystal Drive, Arlington, VA. Deliveries are only accepted during the Docket's normal hours of operation (8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays). Special arrangements should be made for deliveries of boxed information. The Docket telephone number is (703) 305-5805.

**FOR FURTHER INFORMATION CONTACT:** John Jamula, Information Technology and Resources Management Division (7502P), Office of Pesticide Programs, Environmental Protection Agency, 1200
