

Reformulated Gasoline Credit Transfer Summary Report

Report Form ID: RFG1600

Issue Date: September, 10 2003

EPA Form 3520-20P eAlternate

Revised: March 20, 2008

This report must be submitted annually by refiners, importers or oxygenate blending facilities of reformulated gasoline and RBOB, that transferred oxygen or benzene credits. Credits may be transferred between two facilities registered under the same company. Each report should describe the net transfers that took place between the two facilities (or importers) during the reporting year. A separate report must be submitted for each refinery or import facility. This report is due with fourth quarter submissions.

No.	Field Name	Units	Field Formats, Codes & Special Instructions
1.	Report Form ID		AAAAAAA; Character. Enter RFG1600
2.	Report Type		A; Character. Specify if the data submitted in this report is original or if it being resubmitted. Submit only one original report; any corrections or updates should be marked as a resubmission. O = Original R = Resubmission

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is disclosed in the estimates of the individual report form instructions. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
