Comments: Let the mutual fund industry be consistent  
in, <sup>the</sup> way it charges fees. One fee across the  
Board so the public can't be confused.

I believe this document is unfair & biased  
toward loaded funds. There should be disclosure  
regarding "no load funds, exchange traded funds,  
closed end funds, muni funds, proprietary funds."

I think the document is too much  
legalese. It needs to be simplified. Would the  
investor read this as most of the fee disclosure is  
in the prospectus.
