Comments:

We invested some money recently our broker went by the rules in your information. We with-drew our investments with American Express in 1-03. While with that Co. we suffered extreme losses, money we invested through blood sweat & tears.

Example - Our Adviser come to our home to discuss with us a great Insurance, she felt would be very good for us. She gave us a real hard sell. Before going further we are retired, both of us were Blue Collar Workers, also conservative. My husband Gunner told her several times we did not want the Ins. because we were not going to use the money

We had around \$20,000 for our rainy day.
Her hard sell was, I lost my Ins. as my
Co. went under, but Gunner had good life
Ins. from his Co. I said I'm the one with no
Ins. her reply no Delrose, statistic's prove
women out-live men by 7 yrs, also Gunner
had open heart surgery. Gunner worried how
I would get along if something happened to
him. She encouraged us to use our stocks
& invest in the Ins. to protect me, it come
down to the Ins. we needed so badly for me.
To make this short after several hours we
relented after she said there was a way we
could buy the Ins. was to take any amount
from our stocks & buy their Ins. she suggested
the more Ins. we bought, more the better for me.
We did it & found out 12 yrs. later this was
a huge mistake, we were miss-led, scammed
& down right fraud. The Co. American Express was
sued - "Class Action" - "Another Mistake", we know
now we lost every way, our stocks were paying
16 & 17 per cent we took 5,000.00 out of each one
for a 10,000.00 Life Ins., The Class Action Law
Suit, we received \$2,300.00 - there went our
money, now we

Thank you for your comments. Really live Conservative
due to Cheats & Criminals.
