Comments:

Sorry can't help you

I got ripped off by Bernie Roberts, Agent Edward Jones, Braintree Minnesota -

I tried to get satisfaction from Roberts, Edward Jones & the SEC. all to no avail - all I received is S-P-I-N.

You have the record there, Bomb called a \$50,000.00 7 1/2% C.D. I called Roberts told him to watch for another. Payer C.D. if he could not get 7 1/2% would be happy with 6%. Roberts called said he had the \$50,000 & I should put in mutual fund. I inquired of America I said no way because I lost \$ every time I got involved, he said no way could I lose, the fund has been earning 12% - I again told him I did not want to lose any of the principle "he said I would not" NEVER TOLD ME THAT THERE WAS BIG Commission charge - IT WAS 4-6 months later after I called 8-10 times that I was told of the \$2700.00 charge - NOBODY DID A DAMN THING about it - I would never never buy any mutual fund & I tell everyone I can NOT TO - you have a pair of worms ~~Bussell~~ (over)

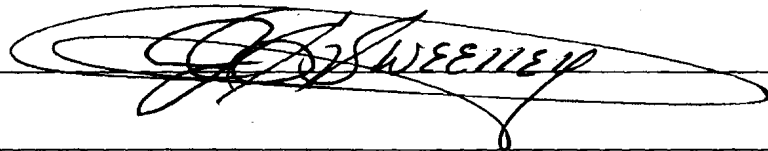

More space provided on back of page.

will give you one suggestion. ⑩

Any purchase over \$20,000 - Broker must have statement stating all facts signed by the customer - & statement in 14 cop print must state that customer has read & understood.

This is the only way to clean up your mess and to KEEP it clean. No ifs, The ans No buts.

PS Rest assured, the above will never happen you Dont need ⑩ Eleven pages of fancy talk.

P.S. you did it even send a pre paid postage envelope. Thanks for Rating
