Comments:

Dear S.E.C.

Thankyou for your work making the Mutual Fund Industry "fair and honest"

The Mutual Fund Industry will destroy the Capital Markets if not "watched" Greed will always be lurking there.

I generally purchase Vanguard Funds which hasn't yet been involved in essentially stealing from investors. However my wife was in "Janus Funds" so we have been "stouged" The S.E.C. needs to have more rules to prevent Stock Market operators from stealing from investors.

More space provided on back of page.

I know how difficult it must be to control those wealthy corporations, but it must be done

I leave it up to you to save the Capital Markets you know better than I.

The investor is the owner (shareholder) of the corporation. That is forgotten.
