

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Title: Understanding Science Professional Development and the Science Achievement of English Learners.

Frequency: Annually.

Affected Public:

Individuals or household.

Reporting and Recordkeeping Hour Burden:

Responses: 3,516.

Burden Hours: 673.

Abstract: The purpose of this study is to investigate how to prepare middle-school teachers to improve all students' physical science content knowledge, including that of low-performing students and English learners (ELs). Using a cluster-randomized experimental design, the research will test the effectiveness of WestEd's Understanding Science model of professional development, an approach that incorporates science content, analysis of student work and thinking, and critical analysis of issues related to teaching that content to students. The

professional development course sessions focus on science concepts both in the context of structured investigations and in narrative cases of teaching practice drawn from actual classroom episodes involving those concepts. This model will be evaluated by comparing it with a control condition that provides no additional science professional development beyond that already received in each school. The experiment will evaluate the value added for grade 8 teachers in California who take an Understanding Science course in addition to whatever science professional development they ordinarily receive. The ultimate outcome of interest is the impact of the professional development on students' science achievement. To provide a basis for explaining the results, impacts will also be studied on teachers' science content knowledge, and a descriptive study will examine selected aspects of their classroom science instructional practices.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Even Start Family Literacy program Women's Prison grant is designed to help break the cycle of poverty and illiteracy and improve the educational opportunities of low-income families with mothers in prison by integrating early childhood education, adult literacy or adult basic education, and parenting education into a unified, high-quality, family literacy program. This project, which must be located in a prison that houses women and their preschool-age children, will serve women inmates and their children, birth through age seven. (For the purposes of this program, the term "prison" means a correctional institution that houses inmates, most of whom are incarcerated in the institution for at least one year.)

The grant awarded under this competition must be implemented through cooperative activities that: build on high-quality existing community resources to create a new range of services; promote the academic achievement of children and adults; assist children and adults from low-income families in achieving to challenging State content and student achievement standards; and use instructional programs based on scientifically based reading research on the prevention of reading difficulties for children and adults, to the extent such research is available. A description of the required fifteen program elements for which funds must be used is included in section V. Application Review Information, *Selection Criteria* in this application notice.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed definitions. Section 437(d)(1) of the General Education Provisions Act (GEPA), however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for the Even Start Family Literacy program Women's Prison Grant and therefore qualifies for this exemption. In order to ensure the timely award of a grant, the Secretary has decided to forego public comment on the definition of "prison" under section 437(d)(1) of GEPA. This definition will apply to the FY 2008 grant competition only.

Priority: Under this competition we are particularly interested in

applications that address the following priority.

Invitational Priority: For FY 2008, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Collaboration With Participating Children's Preschools or Elementary Schools

The Secretary is especially interested in applications that structure formal collaborations with the preschools and elementary schools that the children of the inmates participating in the family literacy program attend. The intent of this invitational priority is to ensure that the children of inmates in the program are fully participating in an early childhood education program that is aligned with the overall Even Start Family Literacy program.

Program Authority: 20 U.S.C. 6381a(a)(2).

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grant.

Estimated Available Funds: \$150,000 per year. Funding after the first year of this grant is contingent on the availability of funds.

Estimated Number of Awards: 1.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. **Eligible Applicants:** A prison (other than a Federal prison) that houses women and their preschool-age children, an institution of higher education, a local educational agency, including a charter school that is considered a local educational agency under State law, a hospital, or other public or private organization or entity. (A Federal prison may not apply for these Federal funds. However, another eligible entity may apply for a grant to operate this family literacy program in a Federal prison.)

2. **Cost sharing or Matching:** Cost sharing requirements for a grant under

this program are detailed in section 1234(b) of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001.

3. **Other:** Eligible participants are female prison inmates who participate in the project with one or more of their eligible children (whether or not the child resides in the prison). To be eligible: (a) The inmate parent must be eligible to participate in adult education and literacy activities under the Adult Education and Family Literacy Act, be within the State's compulsory school attendance age range (in which case a local educational agency must provide or ensure the availability of the basic education component), or be attending secondary school; and (b) the child (or children) must be younger than eight years of age.

Note: Other family members of eligible participants described in this paragraph also may participate in Even Start Family Literacy program activities when appropriate to serve Even Start purposes. In addition, under section 1236(b)(2) of the ESEA, when a member of a family participating in an Even Start Family Literacy program becomes ineligible, the family may continue to participate until all participating members become ineligible. For example, in the case of a participating family in which the mother becomes ineligible due to educational advancement, the family would remain eligible until all participating children reach age eight. In the case of ineligibility due to the child or children reaching the age of eight, the family would remain eligible for two years or until the mother becomes ineligible due to educational advancement, whichever occurs first.

4. **Participation by Private School Children and Teachers:** An entity that receives an Even Start Family Literacy Program Women's Prison grant is required to provide for the equitable participation of private elementary and secondary school children and their teachers or other educational personnel.

In order to ensure that grant program activities address the needs of these private school children, the applicant must engage in timely and meaningful consultation with appropriate private school officials during the design and development of the program. This consultation must take place before the applicant makes any decision that affects the opportunities of eligible private school children, teachers, and other educational personnel to participate.

Administrative direction and control over grant funds must remain with the grantee. (See section 9501, Participation by Private School Children and Teachers, of the ESEA.)

5. *Funding Restrictions:* Under section 1234(b)(3) of the ESEA, the recipient of an Even Start Family Literacy program Women's Prison grant may not use funds awarded under this competition for the indirect costs of a project. Under 34 CFR 74.23(a)(4) and 80.24(a)(1), a recipient of a grant under this program also may not claim indirect costs as part of the local project share. We reference other regulations outlining additional funding restrictions in the *Applicable Regulations* section in this notice.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Even Start Family Literacy Program Women's Prison grant, CFDA Number 84.313A, must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Even Start Family Literacy Program Women's Prison grant at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your

search (e.g., search for 84.313, not 84.313A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://eGrants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note

that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition, you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.
