DEPARTMENT OF EDUCATION**Privacy Act of 1974; Computer Matching Program**

AGENCY: Department of Education.

ACTION: Notice—Computer Matching between the U.S. Department of Education and the Social Security Administration.

SUMMARY: Pursuant to the Computer Matching and Privacy Protection Act of 1988, Pub. L. 100-503, and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs, notice is hereby given of the computer matching program between the U.S. Department of Education (ED) (the recipient agency), and the Social Security Administration (SSA) (the source agency).

Notice of the matching program was originally published in the **Federal Register** on December 1, 1995 (60 FR 61687); the program was effective on January 1, 1996. Duration was 18 months plus a one-year extension permitted by the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988 (5 U.S.C. 522a(o)(2)(D)). The one-year extension will expire on July 7, 1998. The following notice represents the approval of a new agreement by the SSA and ED Data Integrity Boards to continue the matching program on the effective date as indicated below.

In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), the Office of Management and Budget (OMB) Final Guidelines on the Conduct of Matching Programs (see 54 FR 25818, June 19, 1989), and OMB Circular A-130, the following information is provided:

1. Names of Participating Agencies

The U.S. Department of Education and the Social Security Administration.

2. Purpose of the Match

The purpose of the match is to verify any social security number (SSN) and citizenship status provided by an applicant for student financial assistance. Section 484(p) of the Higher Education Act of 1965, as amended (HEA) requires the Secretary of Education, in cooperation with the Commissioner of the Social Security Administration (SSA), to verify any SSN

provided by an applicant for assistance under title IV of that Act. Section 484(g) of the HEA requires the Secretary to verify statements provided by title IV applicants with regard to their citizenship and immigration status using an automated or other system, with other Federal agencies that may be in possession of information relevant to such statements and supporting documentation.

This matching program provides an efficient and comprehensive method of verifying the accuracy of each applicant's SSN and claim to U.S. citizenship for the purpose of meeting eligibility requirements under the title IV programs. The matching program quickly identifies those applicants whose records indicate that they may not be U.S. citizens, who do not have valid SSNs or proof of U.S. citizenship to receive title IV funds.

3. Authority for Conducting the Matching Program

Sections 484(g) and (p) of the HEA; section 1106(a) of the Social Security Act.

4. Categories of Records and Individuals Covered by the Match

ED will submit for verification from its Central Processing System files the SSN and other identifying information for each applicant for title IV assistance. This information will be matched against the SSA Numident, which contains the SSN, citizenship status and identifying information for all SSN holders.

5. Effective Dates of the Matching Program

The matching program will become effective 40 days after a copy of the agreement, as approved by the Data Integrity Board of each agency, is sent to Congress and the Office of Management and Budget (OMB) (or later if OMB objects to some or all of the agreement), or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months after the effective date and may be extended for an additional 12 months thereafter, if the conditions specified in 5 U.S.C. 522a(o)(2)(D) have been met.

6. Address for Receipt of Public Comments or Inquiries

Individuals wishing to comment on this matching program or obtain
