

What On Earth Can You Do With An Old Jelly Jar?

Space creatures might think the idea of reusing containers is an alien concept but here on Earth it's easy to keep an old jar out of the trash and give it new life. Follow these tips to keep a jar in use and out of orbit. Or, take a trek around your home or school to find more ways to reuse old jars or other items.

Wash and reuse it as a drinking glass.

Take it on your next fishing trip to carry live bait.

Fill it with freshly picked flowers or use it to water them.

Use it to store leftovers.

Use it as a cookie cutter.

Display a prized marble collection.

When you run out of jobs for your empty jars, recycle them.

Decorate it with your favorite things and use it to store pens and pencils.
