Training Centers**

**The National Network of STD/HIV
Prevention Training Centers (NNPTC)
is a CDC-funded group of regional
centers created in partnership with
health departments and universities.**

Having served over 50,535 healthcare
professionals since 1997, the NNPTC
prevents Sexually Transmitted Diseases
and HIV through:

• **State-of-the-Art Clinical, Behavioral,
and Partner Services Training**

The STD/HIV Prevention Training Centers (PTCs)
are collaborative enterprises, drawing from the
staff and resources of the CDC, universities, and
health departments, making each uniquely
situated to provide superior, up-to-date training.

• **Exceptional Resources**

Access the latest STD and HIV treatment
guidelines, research articles, curricula, and other
educational materials relevant to your work,
research and practice. Available online or in print
from your local PTC.

• **Online Training**

Go to the website to earn free CME and CNE
online in the comfort and convenience of your
home or office.
