

**Recycle  
your cell  
phone.  
It's an  
easy call.**

**There are thousands of places to recycle  
your phone. Here are just a few:**

**NOKIA**

To learn more, go to  
[www.epa.gov/cellphones](http://www.epa.gov/cellphones)

The Plug-In to eCycling program is open to all qualified electronics manufacturers and retailers. For additional information go to [www.epa.gov/plugin](http://www.epa.gov/plugin).

Identifying locations for cell phone recycling does not constitute EPA endorsement of the products or services of our program partners.
