### **ERRATA**

On June 30, 1999, the Administrative Review Board issued an order remanding the case to the Administrative Law Judge for further consideration consistent with this opinion. On the first page of the decision and on the certificate of service, the ARB case number indicated is erroneous. The correct ARB case number is 99-070. We are reissuing the remand order with the correct ARB number. In all other respects, the decision remains unchanged.
