CASE NO. [REDACTED]

DECISION AND ORDER

This proceeding arose under the standards of conduct provisions of the Civil Service Reform Act of 1978, 5 U.S.C. 7120, and the implementing regulations, 29 CFR 457 et seq., as a result of a complaint filed by the Director, Office of Elections, Trusteeships, and International Union Audits, Office of **Labor-**Management Standards, U.S. Department of Labor, against Chapter 247 of the National Treasury Employees Union concerning its regularly scheduled 1992 and 1994 elections of officers for the positions of President and Executive Vice President. The parties filed a Stipulation of Settlement calling for the Director to supervise the respondent's next regularly scheduled election, which will occur before September 30, 1996 and will include the positions of President **and** Executive Vice President. The Stipulation further provides that Guadalupe Ramos and Margaret Barry shall be eligible for office in the supervised election.

Administrative Law Judge Richard **D.** Mills approved the Stipulation of Settlement in his Recommended Decision and Order dated May 21, 1996. No exceptions to the **Recommended Decision** and Order have been filed. Therefore, pursuant to 29 CFR 458.70, the Recommended Decision and Order is adopted and incorporated hereto without discussion.

ORDER

IT IS HEREBY ORDERED, THAT, the parties take the action agreed to in the Stipulation of Settlement adopted hereto.
