Hi, this is Sara Evans. You may know me as a country singer, but I'm also a wife, a mother of three, and a volunteer.

Volunteering is part of the fabric and history of America. Like an old-fashioned barn raising, it's about people giving their time and their talents to help neighbors in need.

What makes America so great is that we recognize the responsibility we have to each other. Anybody who has gone through hard times – myself included -- knows the value of a helping hand. By volunteering, you get the chance to give back and make sure help is there when someone else needs it.

And it doesn't really matter what you can do or how much time you can give. Do whatever is close to your heart. There are opportunities that will fit your gifts and your schedule, and you can find them by going to [volunteer.gov](http://volunteer.gov).

Make a difference. Volunteer.

**PRESIDENT'S TAG:** This is President George W. Bush. USA Freedom Corps has a volunteer opportunity that's just right for you. Visit [volunteer.gov](http://volunteer.gov). When you help your neighbor, you help your nation.
