

Open House

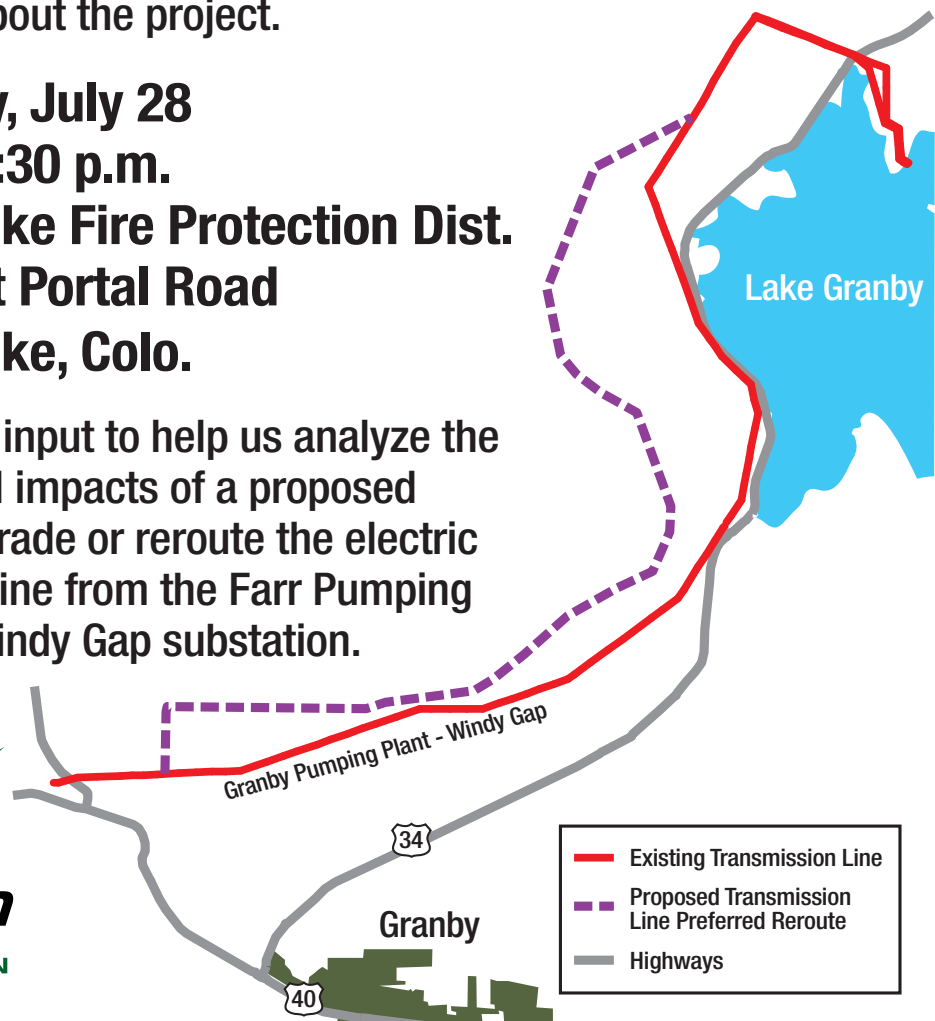

Granby Pumping Plant-to-Windy Gap Transmission Line Project

Learn more about the Granby Pumping Plant-to-Windy Gap transmission line project that will help ensure reliable electric service in Grand County at an open house, July 28.

Representatives from Western and other project stakeholders will be available to answer your questions and offer more information about the project.

► **Thursday, July 28**
6:30 to 8:30 p.m.
Grand Lake Fire Protection Dist.
201 West Portal Road
Grand Lake, Colo.

We need your input to help us analyze the environmental impacts of a proposed project to upgrade or reroute the electric transmission line from the Farr Pumping Plant to the Windy Gap substation.

► **Need more information?**
