

Dear ENERGY STAR® Imaging Equipment Partner or Other Interested Stakeholder:

Attached, please find a memo from Christopher Kent, U.S. EPA, announcing the beginning of the revision process for the current ENERGY STAR imaging equipment specification.

On Tuesday, December 11, 2007, EPA will hold an online Web-based stakeholder meeting to discuss to listen to stakeholders' ideas and concerns, and to discuss EPA's efforts to establish Tier 2 requirements. More information on this meeting, including an agenda, will be forthcoming. Stakeholders are also encouraged to notify EPA of additional changes they feel may be needed to the Version 1.0 specification, or other topics to be addressed during the December 11 discussion. Stakeholders are encouraged to **RSVP and send any additional discussion topics for the December 11 meeting to Bijit Kundu, ICF International, at bkundu@icfi.com no later than Friday, December 7, 2007.**

To assist EPA in determining Tier 2 ENERGY STAR performance levels, manufacturers are invited to submit product information on non-qualified imaging equipment models using the attached data form. If you wish to submit non-qualified data, please send completed data forms to Bijit Kundu at bkundu@icfi.com by January 11, 2008.

If you have any questions or concerns, please contact Christopher Kent at (202) 343-9046 or Bijit Kundu at (202) 862-1157 or at the e-mail address noted above.

Thank you for your continued support of ENERGY STAR!
