SUBJECT: Executive Order 13,392 - Freedom of Information Act (FOIA) Improvement Plan

All federal agencies are required to report to the President's Management Council any deficiencies in implementing their FOIA Improvement Plans, pursuant to Executive Order 13,392, Section 3(c)(iii)(D). The purpose of this letter is to report on the U.S. Postal Service's progress in implementing the milestones and goals of its FOIA Improvement Plan.

The Postal Service met nearly all of the goals and milestones established in the report submitted in response to Executive Order 13,392 that were to be completed for this reporting period. Two milestones were not completed on time, as described in Section XII.C of the USPS FOIA Annual Report. A copy of the USPS FOIA Annual Report is attached. Also attached is a copy of the USPS FOIA Report and Improvement Plan. The original milestones that were not completed on time are found at Sections E.4.3, E.4.5, E.6.3 and E.26 of the Plan.

Please direct any questions you may have concerning the USPS FOIA Report and Implementation Plan to Ms. Jane Eyre, Manager, Records Office, at (202) 268-2144.
