Costs Claimed by the Virginia Commonwealth University Contract Number SS00-04-60097 (Limited Distribution) (A-15-09-29064)

Our objective was to determine whether costs claimed by the Virginia Commonwealth University (VCU) for Contract Number SS00-04-60097 were allowable, allocable and reasonable according to applicable Federal regulations and the contract terms. This review was limited to the direct costs claimed by VCU.

Our review determined the costs were allowable, allocable and reasonable according to applicable Federal regulations and the terms of the contract. Nothing came to our attention that would suggest costs claimed by VCU were unallowable, not allocable, or unreasonable according to applicable Federal regulations and the terms of the contract. Accordingly, we made no recommendations.
