SAMPLE

If you do not wish to list the contents on the wrapper or in any case if the value of the contents is \$400 or over, affix only the upper portion of this label (cut on dotted line and discard lower portion) and complete a PS Form 2976-A, *Customs Declaration and Dispatch Note*. Enclose the completed PS Form 2976-A inside the item. You must give the sender's full name and address on the item.

Commercial item means any goods exported/imported in the course of a business transaction, whether or not they are sold for money or exchanged.

(1) Give a detailed description, in English, quantity and unit of measurement for each article — e.g., 2 men's cotton shirts, especially for articles subject to quarantine (plant, animal, food products, etc.).

(2), (3), (6), and (7) Give the weight (in lb./oz.) and value of each article (in US \$) and the total weight and value of the item.

(4), and (5) For commercial items only. If known, HS tariff number (8-digit) must be based on the Harmonized Commodity Description and Coding System developed by the World Customs Organization. Country of Origin means the country where the goods originated — e.g., were produced, manufactured, or assembled. It is recommended you supply this information and attach an invoice to the outside to accelerate Customs clearance in processing the items.

(8) Your signature and the date confirm your liability for the item.
