

Light-Duty Automotive Technology and Fuel Economy Trends: 1975 through 2007

Appendix B: Model Year 2007 Nameplate Fuel Economy Listings

Compliance and Innovative Strategies Division
and
Transportation and Climate Division

Office of Transportation and Air Quality
U.S. Environmental Protection Agency

NOTICE

This technical report does not necessarily represent final EPA decisions or positions. It is intended to present technical analysis of issues using data that are currently available. The purpose in the release of such reports is to facilitate the exchange of technical information and to inform the public of technical developments.
