EPA
WATER QUALITY
VIDEO CONTEST**

Contest Details

Create a 30 or 60 second video or 1-3 minute video.

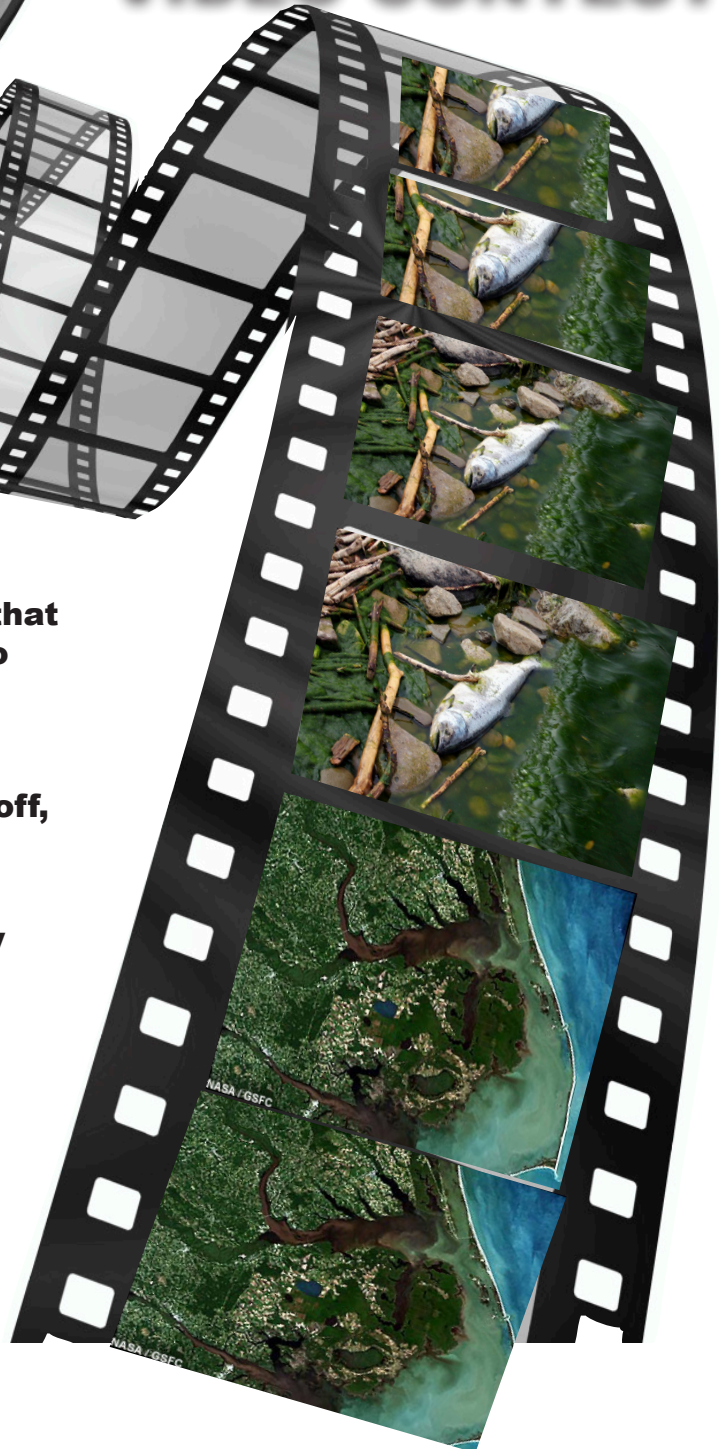

One winner will be chosen in each category.

Theme: Educate the public about water pollution and simple steps that people and communities can do to protect water resources.

Possible topics: low impact development, wetlands, marine debris, urban and agricultural runoff, watershed protection, etc.

Entries must be submitted by Earth Day (April 22nd).

For complete contest rules, visit epa.gov/owow

Sponsored by the United States Environmental Protection Agency's Office of Wetlands, Oceans and Watersheds
