

REQUEST FOR EXTENSION OF PUBLIC COMMENT PERIOD:

Greetings - I was made recently aware of the public comment period for docket 02-70 (AT&T/Comcast). While it is certain that the respective corporations would prefer to move forward on this issue as quickly as possible, I respectfully request an extension of the public comment period that the perspectives from policy makers and stakeholders in our community can have additional time to complete study of the issue, and offer comment.

Respectfully submitted,

Clayton John Leander Jr.
