Re: Global Crossing Ltd Transfer of Control, DA 00-2366

Dear Secretary Salas:

Choice One Communications of New York, Inc. ("Choice One") respectfully submits the enclosed supporting affidavit with our Petition to Deny and Defer the Transfer of Control Applications of Global Crossing Ltd. and Citizens Communications Company pursuant to section 214 of the Communications Act of 1934. A copy of this letter and the enclosed affidavit was served on the enclosed service list.

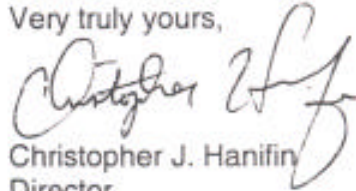

Choice One intended to submit this affidavit with our Petition that was filed with the Commission on November 17, 2000, pursuant to the Public Notice in this proceeding.¹ To be sure, the facts presented in the Petition were true and accurate to the best of Choice One's knowledge. With this letter, we merely seek to correct an administrative error and do not make any substantive changes to our Petition. In the alternative, should the Commission not accept this affidavit and include it with our Petition, Choice One would then seek to have our Petition treated as Comments (which do not require such affidavits).

Choice One, by our Petition, does not seek to reject the applications submitted by the above-referenced applicants. As we mentioned in our Petition, Choice One requests that the Commission impose conditions upon the applications for their approval to be in the public interest. This remains Choice One's position regardless of whether our Petition is treated as such or is treated as Comments.

Very truly yours,
