EXHIBIT B
Alien Ownership Information

SES Global S.A. ("SES Global") is a newly formed Luxembourg company, created to hold indirectly the shares of GE American Communications, Inc. and Columbia Communications Corporation (together, the "Licensees"). SES Global will acquire, through merger, GE Subsidiary, Inc. 22, a Delaware corporation, which is the indirect owner of 100% of the equity interests of the Licensees. SES Global also will own directly a minimum of 80% of the outstanding equity interests of Société Européenne des Satellites, S.A. ("SES") as a result of an exchange offer to SES shareholders. SES is a company organized and existing under the laws of Luxembourg. Its principle business is the provision of satellite communications services.

Deutsche Telekom, A.G. ("Deutsche Telekom") will hold shares of SES Global, representing an economic interest of 12.6% and a voting interest of 10.1% in SES Global.¹ Deutsche Telekom is a corporation organized and existing under the laws of the Federal Republic of Germany, with its headquarters in Bonn. Its principal business is the provision of telecommunications and information services.

The Government of Germany and Kreditanstalt fuer Wiederaufbau together own 60% of Deutsche Telekom, but this will decrease to 45% upon closing of the merger of Voicestream Wireless Corporation and Powertel, Inc. into Deutsche Telekom.²

Banque et Caisse d'Epargne de l'Etat ("BCEE") and Société Nationale de Crédit et d'Investissement ("SNCI"), each of which is an institution created by act of the Luxembourg Parliament and 100% owned by the State of Luxembourg, will hold shares of SES Global, representing a combined total economic interest of 11.2% and a voting interest of 22.3% in SES Global. The principal business of both BCEE and SNCI is financial services.

BCEE, SNCI and the State of Luxembourg, collectively, are expected to acquire additional shares of SES Global, representing a 5.5% economic interest and 13.1% voting interest in SES Global.

¹ Deutsche Telekom's percentage interests are based on the assumption that SES Global will offer approximately 7.5-8% of its equity in a listing in the United States. If such a public offering does not occur, or if SES Global does not otherwise raise additional equity, Deutsche Telekom's percentage interests would be larger, but the interests held by BCEE, SNCI and the State of Luxembourg would be unchanged.
