Dear ENERGY STAR<sup>®</sup> for Windows, Doors, and Skylights Stakeholder:

The U.S. Department of Energy (DOE) would like to thank all stakeholders for their continued valuable input on the ENERGY STAR for Windows, Doors, and Skylights criteria. In order to give due consideration to these comments and to likely revisions to the International Energy Conservation Code, DOE has revised the timeline for the criteria revision process. In particular, please note that the Stakeholder Meeting will be scheduled for late May or early June:

<b>Revised Timeline</b>	
Initial Analysis	July 2007 – April 2008
Publish and Distribute Initial Analysis	Early May 2008
Stakeholder Meeting in Washington, DC	May 22, 2008
Announce Finalized Criteria	July 2008
Earliest Effective Date of New Criteria	April 2009

DOE continues to welcome stakeholder input. If you have any questions regarding the criteria change process or would like to share your input on the elements under consideration, please contact Alice Dasek at 301-588-9387 or [adasek@drintl.com](mailto:adasek@drintl.com). Visit [http://www.energystar.gov/index.cfm?c=archives.windows\\_criteria\\_amendment](http://www.energystar.gov/index.cfm?c=archives.windows_criteria_amendment) to view DOE's letters to date regarding the criteria revision.

Sincerely,
