Free Fishing Day Returns to Cooper Creek Reservoir!

Roseburg, Ore., - The 12th Annual Cooper Creek Free Fishing Day near Sutherlin takes place on **Saturday, June 09**. The event coincides with National Fishing Week to increase awareness and enjoyment of sport fishing across the nation. Much of the reputation of the Land of Umpqua is based on the legendary fishery that resides in the Umpqua River, its tributaries and the lakes scattered throughout the region. Not only does the local fishery have a significant impact on the local economy, it also serves to connect families to the great outdoors.

The event begins at 9:00 am and runs until 3:00 in the afternoon. Although a state fishing license is not required, other state regulations such as the five trout fish limit will apply. For those not bringing their own equipment, a limited number of fishing rods, reels, hooks and bait will be available for anglers going after some of the large number of trout that will be released into Cooper Reservoir just prior to Free Fishing Day.

Free Fishing Day activities will include a kids' spin casting contest, fly casting, two fishing pools for children four years old and under, an hourly big and small fish contest, hourly door prizes and the hilarious bumbling fishermen skit. For event information, contact **Laura Jackson at (541) 440-3353**.

Contributions and services are being provided by: The Umpqua Fishermen's Association, Umpqua Fishery Enhancement Derby, Larry's City Sporting Goods of Sutherlin, Umpqua Valley Fly Fishers, Price Less Foods, Pure Fishing, Cow Creek Band of Umpqua Tribe of Indians, Paul Jackson Wholesale, Bi-Mart, Pepsi-Cola Bottling Company, Umpqua Community College Educational Talent Search Program, and Douglas County Ice.
