Dear Colorado River Storage Project Management Center Customer:

Enclosed is a copy of the Salt Lake City Area Integrated Projects (SLCA/IP) Firm Power and Colorado River Storage Project (CRSP) Transmission and Ancillary Services Rates Notice of Extension of Public Process for Rate Order No. WAPA-137.

Western initiated a public process to modify the SLCA/IP firm power rates and extend the CRSP transmission and ancillary services rates by publishing a notice in the *Federal Register* today, March 24, 2008.

As identified in the enclosed *Federal Register*, the CRSP MC will be hosting an additional Public Information and Public Comment Forum April 10, 2008, at 1:30 p.m., at the Bureau of Reclamation, Room 8102, Wallace F. Bennett Federal Building, 125 South State Street, Salt Lake City, Utah. You will need to provide photo identification at the security booth as you enter the Federal Building.

We look forward to seeing you at this follow-up meeting. If you have any additional questions or concerns, please feel free to contact me at (801) 524-6380 or loftinc@wapa.gov.

Sincerely,

Carol A. Loftin
Rates Manager
