Part 5 - Remarks

Instructions

This is the Brewer's Report of Operations. You must file this report if:

- You produce not more than 5,000 barrels of beer per year and
- You do **not** bottle or keg your beer.

If you do not qualify to file this report then you must file the Brewer's Report of Operations (ATF F 5130.9).

- 1. Where can I get help for this report? You may call us toll-free at (800) 398-2282.
- 2. Where do I file this report? Make an original and a copy.
 - Send original to us at this address: Chief, National Revenue Center Bureau of Alcohol. Tobacco and Firearms 550 Main Street, Room 8002 Cincinnati, Ohio 45202-3263
- You must keep a copy at the brewery available for inspection by ATF officers.
- 3. When must I file this report? You must file this report by the fifteenth day after the end of the reporting period: April 15, July 15, October 15, and January 15. If you are going out of business you must file a final report as of the date you discontinue business. Enter the date on your last report in the Part 5 - Remarks with "Discontinuing business on (date)."
- **4. What is the reporting period?** File this report by calendar quarter. The quarters are:

January through March

April through June

July through September

October through December

Part 1 - Cellar Operations

- 5. How do I report beer on this form? You must report beer in barrels. One barrel is 31 gallons. Round your entries to the nearest second decimal place.
- 6. I adjusted a previous period tax return. Now, how do I report adjustments on this report? If you adjusted an Excise Tax Return (ATF F 5000.24) and the adjustment affects the quantity of beer you previously reported on your Brewpub Operations Report, then you must record an adjustment on this report to correct the error.

Follow these instructions:

- · Make these adjustments on lines 9 and 18, as appropriate (additions on line 9, removals on line 18).
- Do not include these adjustments in the totals on lines 8 or 17.
- Explain your adjusting entries in Part 5 Remarks. Attach additional pages if necessary.
- 7. I have a shortage to report in Part 1. Must I explain? You must explain any shortage you report in Part 1. Give your explanation in Part 5 -Remarks, or in a separate statement signed by you under penalty of perjury. We may assess the tax on shortages if we are not satisfied that your explanation is sufficient to relieve the tax liability.
- 8. Where do I report destruction of tax determined beer? When you destroy after tax determination for use at your tavern, report in this way: first, list the beer as a return to the brewery at line 4; then, report the destruction in line 13.

Part 2 - Report Period Tax Payments

- 9. What information do I record in this part of the report? You must record certain information from each of the beer Excise Tax Returns (ATF F 5000.24) you file during the period of this report:
 - · Enter the serial number and the date filed for each return
 - · Record the tax liability from line 11 of the return

- Record adjustments (+ or -)
- · Record the amount you paid with the return

Part 3 - Summary of Materials Used and Wort Produced

- 10. How do I report materials I use to produce my beer? Report the quantity in pounds by the appropriate general classification. The general classifications are:
 - Hops

 - hops extracts
 - malt and malt products · barley products
- corn and corn products
- sugar and syrups
- wheat and wheat products
- · flavoring products

- rice and rice products
- sorghum grain and sorghum grain products

- 11. How do I report hops extracts? You must report quantities of hops extracts in two ways: first, report the actual quantity in pounds in column (b); then report the hops equivalent in pounds in column (c).
- 12. How do I report wort? Report wort quantities in barrels: record wort you receive and use on line 2 and wort you remove on line 3.
- 13. How do I report the original materials I use to produce my wort or wort concentrate? Record the materials you use to produce wort or wort concentrate in pounds and in the appropriate column. Use columns (e) through (h) as needed. Label the column with the general classification in instruction 10.
- **14.** How do I report the quantity and balling of wort or wort concentrate? You must report the quantity and balling of wort or wort concentrate. Use line 4, or a separate attachment.

Part 4 - Cereal Beverage Summary

15. How do I report cereal beverage (beer with less than 0.5% alcohol by volume)? For the cereal beverage you produce, record in whole barrels only.

Paperwork Reduction Act Notice

This request is in accordance with the Paperwork Reduction Act of 1995. We use this information to determine whether your operations are in compliance with the requirements of law and regulations and to verify your tax liability. The government uses summaries of this information to make economic forecasts and to evaluate industry operations and trends. The information we request is required for you to maintain your qualification to operate and is mandatory by law (26 USC 5415).

We estimate the average burden associated with this collection to be 1 hour per brewer, depending on individual circumstances. Address your comments concerning the accuracy of this burden estimate and suggestions to reduce this burden to: Reports Management Officer, Documents Services Branch, Bureau of Alcohol, Tobacco and Firearms, Washington, DC 20226.

ATF may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this Brewpub Report of Operations is 1512-0052. This control number expires on 05/31/2004.
