SALEM—The Bureau of Land Management's Salem District will be closing BLM Roads 12-3E-16 and 11-3E-35.2, northeast of Sweet Home, for public safety, and to rehabilitate the areas burned by the recent wildfires.

BLM Road 12-3E-16 (T12S, R3E, Secs. 11, 15, 16, 21), also known as the Rocky Top Access Road, located approximately 15 miles northeast of Sweet Home, will be closed through the fall so that the areas burned by the Middle Fork Fire can be rehabilitated.
