Project Safe Neighborhoods is an intensive, cooperative effort between local, state, and federal law enforcement to attack gun crimes. The cornerstone of the program is that every defendant charged in state court for an offense involving a gun will be reviewed for possible federal prosecution in order to obtain the harshest penalties for the worst offenders. Additional information about Project Safe Neighborhoods may be found at www.psn.gov.

The case was investigated by Special Agents of the Bureau of Alcohol, Tobacco, Firearms, and Explosives and detectives of the Rockford Police Department. The case was prosecuted in federal court by Assistant United States Attorney Joseph C. Pedersen.
