

MICHAEL BRADY
Director of Operations Support

As Director of Operations Support, Michael Brady oversees all matters involving the operations and management of GPO's safety, facilities, engineering, and environmental services departments.

Biography

Brady joined GPO in 2008 as the Business Continuity Manager for the agency's COOP operations. Prior to arriving at GPO, he held various printing operations and quality leadership roles within the printing industry. In 2005, Brady was with the Newspaper Association of America in Arlington, VA, as Director of Production Operations, working with newspaper industry members and suppliers on a variety of strategic and tactical initiatives and projects. His responsibilities focused on industry development, new technology implementation, ISO/ANSI standards, strategic business initiatives, and quality operations. Brady also worked in managerial positions at Pacific Bell Directory (now AT&T) and American Color. While at Pacific Bell Directory, Brady was involved in developing standards for the directory industry's transition into full-color advertising.

Brady received a Bachelor of Science degree in Graphic Communication from California Polytechnic State University, San Luis Obispo in 1991. Cal Poly is one of the country's leading schools in printing and graphic communications. He earned a Master of Science Degree in Quality Assurance from Cal State Dominguez Hills in 2005.
