

U.S. General Services Administration

## Telework Centers Can Be a Convenient Option for You

A **telework center** is a multi-agency office facility which is more geographically convenient to where employees live rather than where they may typically work.

To learn more about telework centers in the Washington Metro area, visit [www.gsa.gov/teleworkcenters](http://www.gsa.gov/teleworkcenters).

*“with telework  
everyone wins”*
