

California Construction Contracting Program

A Caltrans – Small Business Development Center Partnership

Between October 1, 2008 and September 30, 2009, Caltrans anticipates receiving an excess of \$4 billion of Federal and State transportation funding.

DON'T MISS THIS OPPORTUNITY TO BE A PART OF BUILDING CALIFORNIA'S ROADS AND HIGHWAYS

Join us on March 25th and 26th for the second in a series of seven important **FREE** seminars in the 2009 California Construction Contracting Program:

Staying Out of Trouble - Construction Law and State Prevailing Wage Requirements

Construction Law. Ever had questions about construction law and practices? Here's your chance to get them answered!

Part I (Mar. 25th, 9:00am – 12:00pm)

Part II (Mar. 25th, 1:00pm – 4:00pm)

California and Federal Prevailing Wage Requirements. Learn what you need to know to be in compliance on public works projects. (Mar. 26th, 9:00am to 12:00pm)

Instructor: Paul Guerrero began his career as a carpenter apprentice and served as a superintendent during construction of a portion of the 280 freeway, including 12 bridges, and the United Airlines Maintenance Facility at SF Airport. He received his law degree in 1983 and started his law firm which specializes in construction law especially as it relates to minority entrepreneurs on public works jobs. He serves as a member of the Advisory Council to the Director of Caltrans.

Who should attend: This session is important for small business construction contractors and professional service (architectural and engineering) firms, who have some prior public works experience and are seeking to increase their participation in Federal highway contracts.

To register: Call Jill at the Alameda County SBDC, 510-208-0410, or go to www.acsbdc.org, click on "Caltrans" and follow the link to register.
