UPDATE: PROJECT CEASEFIRE
KC FELON SENTENCED FOR ILLEGAL
POSSESSION OF FIREARM

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Kansas City, Mo., man was sentenced in federal court today for illegally possessing a firearm. Today's sentencing, Graves said, marks additional progress under Project Ceasefire, the district's ongoing anti-crime initiative.

Andre L. Wright, 28, of Kansas City, Mo., was sentenced by U.S. District Judge Gary A. Fenner this morning to three years and one month in federal prison without parole. **Wright** received an enhancement in his sentence because he possessed a firearm in connection with another felony narcotics offense, Graves said.

On March 2, 2004, **Wright** pleaded guilty to being a felon in possession of a firearm. By pleading guilty, **Wright** admitted that he was in possession of a Jennings/Bryco Arms .22 caliber pistol on Sept. 28, 2003. Under federal statutes, Graves explained, it is illegal for any felon to be in possession of a firearm or ammunition. **Wright** has a 1999 criminal felony conviction for driving while his license was revoked or suspended.

Wright was originally charged in an indictment returned by a federal grand jury on Jan. 7, 2004, in Kansas City.

This case was prosecuted by Assistant U.S. Attorney Jess E. Michaelsen. The case was investigated by the Kansas City, Mo., Police Department and the Bureau of Alcohol, Tobacco, Firearms and Explosives.

Project Ceasefire

Project Ceasefire, launched in October 1999, is a cooperative initiative by federal and local law enforcement and the Kansas City Crime Commission that targets for federal

prosecution persons who unlawfully use or possess firearms.
