11. Lack of information
12. Primary + Secondary Action

Barriers

5. Financing the ^{community} capacity
by residents + mostly
community & social
6. Gap between Community Data
and Democratic Health
7. Lack of access to health care
related to the cost
of certain
8. Reporting of
and education

Issues

11. Polarization of the healthy lives

Barriers

Issues

6. Lack of awareness of the
health issues
7. Lack of quality + knowledge
healthcare system
8. Community not connected
to agencies + others
9. Other agencies in the
area
10. Agency health issues
to which community
is not connected

Issues

1. Low level of health
education
2. Quality of care
not
3. Lack of policy
4. No training +
education
5. Lack of community
involvement
