**THE GRANT OFFICER'S MOTION TO
SUPPLEMENT THE ADMINISTRATIVE FILE**

The Grant officer hereby moves to supplement the administrative file ("AF") in the above case with the enclosed pages 413-519, to be inserted in the file after p. 412, and an amended page 2 of the file index. Pages 413-16 constitute the August 13, 1987 internal Indiana Department of Employment and Training Services ("Indiana") memorandum mentioned in the Final Determination, Final Determination at 2 (Sept. 17, 1993), AF at 12. Pages 417-519 comprise Indiana's August 27, 1993 response to the June 28, 1993 Initial Determination, AF 24-33.

The new page two of the file index lists these two documents as items "22" and "23" under a new section, "E." The new page two replaces the old page two, which should be discarded.

The proposed supplements to the administrative file are Indiana's own documents, and were inadvertently omitted from the file. I informed David. A. Shaheed, Esq., counsel for Indiana, in telephone conversations in September, 1994 and at the September 29 prehearing conference, that I intended to add these documents to the file. Mr. Shaheed had no objection.

For the convenience of the administrative law judge and the parties, ring-binder holes have been punched in the pages to facilitate insertion in the file.

Respectfully submitted,
