In addition to the public hearing on the dockets listed above, the Commission's 1:30 p.m. business meeting will include a public hearing on a proposed resolution to ratify a Decree Party agreement for banking the 2006-2007 excess release quantity. The meeting will also include: adoption of the Minutes of the Commission's May 10, 2006 business meeting; announcements; a report on basin hydrologic conditions; a report by the Executive Director; a report by the Commission's General Counsel; and an opportunity for public dialogue.

In addition, supplemental notice is hereby provided for Docket No. D-2002-34 CP, issued on September 3, 2003, by which the Commission approved a ground water allocation for the New Castle County distribution system of the Artesian Water Company, Inc. ("Artesian"). The docket was reissued on May 18, 2005 as Docket D-2002-34 CP-2 to accommodate a modification unrelated to this supplemental notice. Both the 2003 and 2005 dockets provided for multiple ground water withdrawals from approximately 40 wells in the more than one dozen wellfields comprising Artesian's New Castle County

distribution system. The purpose of this supplemental notice is to highlight the inclusion in Docket D-2002-34 CP and continuation in Docket D-2002-34 CP-2 of New Well No. 4 to supply up to 6.48 million gallons per 30 days (mg/30 days) of water to the applicant's Artisan's Village public water supply distribution system. The addition of New Well No. 4 entailed no increase in the maximum combined withdrawal from the Artisan's Village wellfield, which remained unchanged by Docket D-2002-34 CP, at 90.72 mg/30 days. Although a notice of application received (NAR) was published for the proposed new well on September 11, 2002, the public notice issued in advance of the September 3, 2003 hearing did not highlight approval of the well. The modified docket issued by the Commission to Artesian Water Company in 2005 included no change associated with the Artisan's Village distribution system. Any person seeking a hearing to review the Commission's action in approving New Well No. 4 in the Artisan's Village wellfield may request a hearing in accordance with Article 6 of the Commission's *Rules of Practice and Procedure*, provided that such a request is received by the Commission within 30 days of the date this notice appears in either the **Federal Register** or the *Pennsylvania Code and Bulletin*, whichever date is later.

Draft dockets, the resolutions scheduled for public hearing on July 19, 2006, and the dockets associated with the supplemental notice provided above will be posted on the Commission's Web site, <http://www.drbc.net>, where they can be accessed through the Notice of Commission Meeting and Public Hearing. Additional documents relating to the dockets and other items may be examined at the Commission's offices. Please contact William Muszynski at 609-883-9500, extension 221, with any docket-related questions.

Individuals in need of an accommodation as provided for in the Americans with Disabilities Act who wish to attend the informational meeting, conference session or hearings should contact the commission secretary directly at 609-883-9500 ext. 203 or through the Telecommunications Relay Services (TRS) at 711, to discuss how the Commission can accommodate your needs.

Dated: June 21, 2006.
