

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54638; File No. SR-NYSEArca-2006-58]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of a Proposed Rule Change and Amendment No. 1 Thereto Relating to Its Regulatory Oversight Committee

October 23, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 21, 2006, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NYSE Arca. The Exchange filed Amendment No. 1 to the proposed rule change on October 20, 2006.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Rule 3.3 to provide that the Exchange’s Regulatory Oversight Committee (the “ROC”) shall be comprised of at least three Public Directors. The text of the proposed rule change is available on the Exchange’s Internet Web site (<http://www.nysearca.com>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change, as amended, and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to change NYSE Arca Rule 3.3 to provide that the ROC shall be comprised of at least three Public Directors.⁴ The current rule provides that the ROC must be comprised of all of the Public Directors of the NYSE Arca, Inc.

The Exchange believes that setting the number of Public Directors on the ROC to three is appropriate given the recent merger of New York Stock Exchange, Inc. and Archipelago Holdings, Inc. pursuant to which the Exchange became an indirect wholly owned subsidiary of a newly formed entity, NYSE Group, Inc. (“NYSE Group”). It is the current intent of NYSE Arca to populate the NYSE Arca ROC with three NYSE Arca directors who are also directors of both the NYSE Group and NYSE Regulation, Inc.,⁵ a wholly owned subsidiary of NYSE Group that provides regulatory services to both the Exchange and the other registered securities exchange that is a subsidiary of NYSE Group, New York Stock Exchange LLC. The Exchange believes that this particular overlap of directors will allow the Exchange to better manage regulatory issues across the organization.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with Section 6(b)⁶ of the Exchange Act, in general, and furthers the objectives of Section 6(b)(5)⁷ in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Solicitation of Comments

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange states that the purpose of the proposed rule change is to amend the Exchange's rules to extend the maximum duration of Index-Linked Securities from ten (10) years to thirty (30) years.

Pursuant to NYSE Arca Equities Rule 5.2(j)(6), the Exchange may approve for listing and trading securities that cannot be readily categorized under the listing criteria for common and preferred securities, bonds, debentures, or warrants. In August 2005, the Commission approved the Exchange's proposal to add NYSE Arca Equities Rule 5.2(j) (which was a PCX rule at the time) to the NYSE Arca Equities rule for the purpose of adopting generic listing standards pursuant to Rule 19b-4(e)³ in connection with Index-Linked Securities.⁴

³ 17 CFR 240.19b-4(e).

⁴ See Securities Exchange Act Release No. 52204 (August 3, 2005), 70 FR 46559 (August 10, 2005) (SR-PCX-2005-63). Telephone Conference on October 20, 2006 between John Carey, Assistant General Counsel, Exchange, and Hong-anh Tran, Special Counsel, Division of Market Regulation ("Division"), Commission (Telephone Conference).

NYSE Arca Equities Rule 5.2(j)(6) sets forth criteria that the issuer and the issuer must meet in order to list and trade Index-Linked Securities at the Exchange.⁵ Currently, one of the criteria the Exchange considers for the listing and trading of Index-Linked Securities, pursuant to NYSE Arca Equities Rule 5.2(j)(6), is that the term of the issue must be a minimum term of one (1) year but not greater than ten (10) years. The Exchange proposes to amend NYSE Arca Equities Rule 5.2(j)(6)(b) to extend the duration of the term of the issue from ten (10) years to thirty (30) years. The Exchange believes this amendment to NYSE Arca Equities Rule 5.2(j)(6)(b) is appropriate due to the increase demand from issuers to list and trade Index-Linked Securities that are greater than ten (10) years in duration. In addition, the Exchange notes that corporate bonds and other fixed-income products have historically been issued with terms of up to, or greater than, thirty (30) years.

The Exchange believes expanding the duration for Index-Linked Securities, subject to generic listing standards in NYSE Arca Equities Rule 5.2(j)(6), will help to foster competition and promote enhanced efficiency in the marketplace. Incorporating these guidelines into the Exchange's generic listing standards for Index-Linked Securities will allow Index-Linked Securities that satisfy the listing standards to begin trading pursuant to Rule 19b-4(e), without constituting a proposed rule change within the meaning of Section 19(b) of the Act and Rule 19b-4, for which notice and comment and Commission approval is necessary.⁶ The Exchange's ability to rely on Rule 19b-4(e) to list such Index-Linked Securities potentially reduces the time frame for bringing these securities to the market, thereby promoting competition and making such products available to investors more quickly. The Exchange also notes that the Commission has approved amendments to the generic listing standards for equity-linked notes that removed the maximum term limits for those securities.⁷

⁵ NYSE Arca Equities Rule 5.2(j)(6) permits the Exchange to submit a rule filing pursuant to Section 19(b)(2) of the Act to allow the listing and trading of Index-Linked Securities that do not otherwise meet the generic listing criteria.
