Regulatory Agenda

AGENCY: Department of Justice.

ACTION: Semiannual regulatory agenda.

SUMMARY: The Department of Justice is publishing its fall 2006 regulatory agenda pursuant to Executive Order 12866 “Regulatory Planning and Review,” 58 FR 51735, and the Regulatory Flexibility Act, 5 U.S.C. sections 601 to 612 (1988).

FOR FURTHER INFORMATION CONTACT: Robert Hinchman, Senior Counsel,

Office of Legal Policy, Department of Justice, Room 4252, 950 Pennsylvania Avenue NW., Washington, DC 20530, (202) 514-8059.

SUPPLEMENTARY INFORMATION: For this edition of the Department of Justice’s regulatory agenda, the most important significant regulatory actions are included in The Regulatory Plan, which appears in part II of this issue of the **Federal Register**. The Regulatory Plan entries are listed in the table of contents below and are denoted by a bracketed bold reference, which directs the reader to the appropriate sequence number in part II.

The Regulatory Flexibility Act (RFA) requires that, each year, the Department publish a list of those regulations that have a significant economic impact upon a substantial number of small entities and are to be reviewed under section 610 of the Act during the

succeeding 12 months. This edition of the Department’s regulatory agenda includes three regulations requiring such a review: “Commerce in Explosives (Including Explosives in the Fireworks Industry)” (RIN 1140-AA01); “Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities” (RIN 1190-AA44); and “Nondiscrimination on the Basis of Disability in State and Local Government Services” (RIN 1190-AA46). In accordance with the RFA, comments are specifically invited on these regulations. Those comments should be addressed to the contact persons listed in the entries for these items.

Dated: September 6, 2006.

Assistant Attorney General, Office of Legal Policy.

As more inmates use the new electronic message program, it will reduce the opportunities to introduce contraband into Bureau facilities through inmate mail.

1925. RELEASE OF INFORMATION

Priority: Substantive, Nonsignificant

Legal Authority: 5 USC 301; 13 USC; 18 USC 3621, 3622, 3624; 18 USC 4001, 4042, 4942, 4081, 4082 (Repealed in part as to conduct occurring on or after November 1, 1987), 5006 to 5024 (Repealed October 12, 1984, as to conduct occurring after that date), 5039; 28 USC 509 and 510; 31 USC 3711(f); 5 CFR 297

CFR Citation: 28 CFR 513.40

Legal Deadline: None

Abstract: The Bureau of Prisons (Bureau) proposes to amend its regulations on Release of Information (28 CFR 513, subpart D). We published current regulations on this subject in the Federal Register on December 9, 1996 (61 FR 64950). We also published a proposed regulation on this subject on May 13, 2003 (68 FR 25545), which we will withdraw.

The Bureau proposes to remove our regulations regarding Privacy Act (PA) and Freedom of Information Act (FOIA) requests for information (28 CFR sections 513.30-.36 and 513.50-.68), because these regulations merely duplicate current and more general Department of Justice FOIA/PA regulations in 28 CFR part 16, and are therefore unnecessary in Bureau regulations. We also propose to remove regulations pertaining to procedures for staff processing of inmate requests to institutions for information (28 CFR sections 513.40-.44), because these regulations do not directly relate to FOIA/PA and are an unnecessary level of operational detail. This proposed rule also seeks to prohibit inmates incarcerated in Bureau facilities, including those in contract facilities or in community confinement, from possessing their Pre-Sentence

Investigation Reports (PSR), Statements of Reasons (SOR), or other similar sentencing documents from criminal judgments. Also, we propose new regulations regarding releasability of inmate information not otherwise provided for through current FOIA, PA, or Department of Justice regulations.

CFR Citation: 28 CFR 540

Legal Deadline: None

Abstract: The Bureau of Prisons (Bureau) is withdrawing certain provisions in its rules on telephone regulations and on the inmate financial responsibility program (IFRP) which were published in the Federal Register on April 4, 1994 (59 FR 15812).

In the April 4, 1994, revision of its rules on telephone regulations and on the IFRP, the Bureau delayed the effective date for provisions in sections

540.105(c) and 545.11(d)(10), which imposed limitations on the telephone privileges of inmates refusing to participate in the IFRP. These provisions were to become effective January 3, 1995. Due to ongoing litigation in *Washington v. Reno*, the effective date for these provisions was further delayed until January 4, 1996 (60 FR 240).

In accordance with the Court-approved settlement in *Washington v. Reno*, through this rule, the Bureau withdrew these provisions and the reference to the IFRP telephone restrictions in 28 CFR section 540.100(a) and published at 61 FR 92 a new proposed rule to impose a different restriction on the telephone privileges of inmates who refuse to participate in the IFRP. This rule was finalized on December 28, 1999 (64 FR 72798, see RIN 1120-AA49).

On July 1, 2005, we merged the two rules described above (1120-AA49 and this rule). The Bureau is currently developing a rule finalizing the interim rules.

Abstract: Current Bureau of Prisons regulations on institutional management authorize the Bureau to impose special administrative measures with respect to specified inmates, based on information provided by senior intelligence or law enforcement officials, where it has been determined to be necessary to prevent the dissemination either of classified information that could endanger the national security or of other information that could lead to acts of violence and terrorism.

This rule extends the period of time for which such special administrative measures may be imposed from 120 days to up to 1 year and modifies the standards for approving extensions of such special administrative measures for further increments of time. In addition, in those cases where the Attorney General has certified that reasonable suspicion exists to believe that an inmate may use communications with attorneys or their agents to further or facilitate acts of violence or terrorism, this rule amends the existing regulations to provide that the Bureau is authorized to monitor mail or communications with attorneys in order to deter such acts, subject to specific procedural safeguards, to the extent permitted under the Constitution and laws of the United States. Finally, this rule provides that the head of each component of the Department of Justice that has custody of persons for whom special administrative measures are determined to be necessary may exercise the same authority to impose such measures as the Director of the Bureau of Prisons.

Abstract: In this document, the Bureau of Prisons (Bureau) proposes to streamline its rules on the Central Inmate Monitoring system (CIM). We intend this amendment to streamline our regulations by removing internal agency management procedures that need not be stated in regulation. Bureau policy is a more appropriate vehicle through which to provide instruction and guidance to staff. All the provisions we removed consist of our instruction and guidance to Bureau staff. These provisions relate solely to internal agency management and practice and do not impose obligations or confer any benefits upon our regulated entities (the inmates) or the public. The procedures that were in these regulations will continue to exist, unchanged, in our policy statement on the Admission and Orientation Program. Any requirement imposed on our staff in these rules will remain a Bureau-wide requirement in our policy. It is important to note that we have not changed the substance of the CIM rules.

Abstract: In this document, the Bureau of Prisons (Bureau) proposes to revise regulations pertaining to smoking/no smoking for inmates in Bureau facilities. The revised regulations indicate that smoking is generally prohibited in and on the grounds of Bureau institutions and offices, with the following two exceptions: Smoking is permitted as part of an authorized inmate religious activity; and, for all persons who wish to enter, or are present inside, Bureau facilities, other than inmates in Bureau custody, smoking is permitted only in smoking areas designated by the Warden. This rule also clarifies that possession of smoking apparatus and tobacco in any form is prohibited for inmates, unless as part of an authorized inmate religious activity. Smoking is defined as inhaling the smoke of any substance through the use of smoking apparatus including, but not limited to, cigars, cigarettes, or pipes. We intend this amendment to promote a clean air environment and to protect the health and safety of staff and inmates.

Proposed Rule Stage

Abstract: The American Competitiveness and Workforce Improvement Act (ACWIA)—enacted as part of the Omnibus Consolidated and Emergency Supplemental Appropriations Act of 1998—made various changes to the Immigration and Nationality Act (the INA) relating to temporary nonimmigrant professionals. In this rule (RIN 1190-AA48), the Department's Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC) will implement the ACWIA "failure to select" protections—codified in the INA at section 212(n)(5)—by establishing a process under which U.S. workers may file complaints against certain employers deemed "H-1B dependent" that deny them employment opportunities by improperly hiring temporary foreign professionals on H-1B visas. Under this process, OSC may receive and review these complaints, and then—if there is reasonable cause to believe the allegations—initiate binding arbitration proceedings through the Federal Mediation and Conciliation Service (FMCS). Although this cause of action, originally enacted in ACWIA, sunset on October 1, 2003, it was revived in the H-1B Visa Reform Act of 2004.

This rule also changes regulations of the Office of the Chief Administrative Hearing Officer (OCAHO) of the Executive Office for Immigration Review (EOIR) to provide for the review of arbitrators' decisions and, where appropriate, the award of administrative relief for a "failure to select" cause of action under the American Competitiveness and Workforce Improvement Act of 1988. This new cause of action allows an aggrieved party to file a complaint against a covered employer when it seeks to hire an H-1B visa holder over an equally or better qualified United States worker who applied for the job. Arbitrators of the Federal Mediation and Conciliation Service will adjudicate the complaints. The regulation also allows the Office of the Chief Administrative Hearing Officer to review the Arbitrator's findings, if necessary, and to impose remedies against the employer. This rule is being coordinated with EOIR, the Department of Labor (DOL), and the FMCS.

Additional Information: ACWIA increased the numerical cap on H-1B nonimmigrant aliens; required certain dependent employers to make additional attestations to the Department of Labor (DOL); increased the penalties for employers who have been found to be in violation of DOL's rules; and created a "whistle blower" clause to protect H-1B workers who filed complaints against their employer.

1953. AMENDMENTS TO PROCEDURES ADVISING STATES AND POLITICAL SUBDIVISIONS SPECIALLY COVERED UNDER THE VOTING RIGHTS ACT HOW TO SEEK PRECLEARANCE FROM THE ATTORNEY GENERAL OF PROPOSED VOTING CHANGES

Priority: Substantive, Nonsignificant**Legal Authority:** 5 USC 301; 28 USC 509 to 510; 42 USC 1973a(c); 42 USC 1973c**CFR Citation:** 28 CFR 51**Legal Deadline:** None

Abstract: Section 5 of the Voting Rights Act of 1965 requires certain States and their political subdivisions (covered jurisdictions) to obtain "preclearance" from the Federal Government of proposed changes in voting practices and procedures prior to their implementation. Preclearance may be obtained either through litigation in the United States District Court for the District of Columbia or administratively from the Attorney General. In 1971, the Department first issued procedures for

the administration of section 5 to inform covered jurisdictions concerning the manner in which they could comply with section 5 in the administrative proceeding before the Attorney General. In subsequent years, the Department has amended these procedures to reflect changes in section 5 law, in the Attorney General's internal practices, and to make the procedures clearer and easier to follow. In the many years since the last major amendment to the procedures, there have been significant changes in section 5 law and in the practices employed by the Department in processing submissions, which are not reflected in the existing procedures.

Abstract: In 1988, the Civil Rights Restoration Act (CRRRA) added definitions of "program or activity" and "program" to title VI and added a definition of "program or activity" to section 504. The added definitions were designed to clarify the broad scope of coverage of recipients' programs or activities under these statutes. In a joint rulemaking described at RIN 1190-AA49, and published in the Federal Register on August 26, 2003, the Department of Justice and

other Federal agencies conformed their regulations to the CRRA.

In the rulemaking described under this RIN (1190-AA52) the Department of Justice proposes to make conforming amendments to its coordination regulations concerning agency enforcement of title VI of the Civil Rights Act of 1964, 28 CFR 42.401 to 42.415, and agency enforcement of section 504 of the Rehabilitation Act of 1973, 28 CFR 41.1 to 41.58. The proposed amendments explicitly incorporate the CRRA's definitions of "program or activity" and "program" into the Department's title VI and section 504 coordination regulations.

1956. AMENDMENTS TO THE ATTORNEY GENERAL'S GUIDELINES ON IMPLEMENTATION OF THE LANGUAGE MINORITY PROVISIONS OF THE VOTING RIGHTS ACT

Priority: Other Significant

Legal Authority: 5 USC 301; 28 USC 509 to 510; 42 USC 1973b; 42 USC 1973j(d); 42 USC 1973aa-1a to 1973aa-2

CFR Citation: 28 CFR 55

Legal Deadline: None

Abstract: The language minority provisions of the Voting Rights Act, sections 4(f)(4) and 203, require that certain States and political subdivisions of States (covered jurisdictions) provide materials and information about elections and voting in one or more languages other than English. Under section 203, coverage determinations are based on Census data, made by the Director of the Census, become effective upon publication in the Federal Register, and are not subject to judicial review. In 1976, the Department first

issued guidelines on implementation of the language minority provisions of the Voting Rights Act to assist jurisdictions in understanding how the Department measures compliance and enforces these provisions. A table listing jurisdictions covered by both section 4(f)(4) and section 203, as well as the language minority group or groups for which each is covered, is included as an appendix to the guidelines. In subsequent years, the Department has amended these guidelines to reflect changes enacted in the section 203 coverage formula and new section 203 determinations by the Director of the Census, which have been made after each decennial census. The last such revisions to the guidelines were published as a final rule without notice or comment period (58 FR 35371; July 1, 1993). On July 26, 2002, the Director of the Census published in the Federal Register new section 203 determinations based on 2000 Census data (67 FR 48871; July 26, 2002). The appendix should be updated to reflect

these determinations currently in effect. The section 4(f)(4) determinations have not changed. On July 27, 2006, the President signed the "Fannie Lou Hamer, Rosa Parks, and Coretta Scott King Voting Rights Act Reauthorization and Amendments of 2006," Public Law 109-246, 120 Stat. 577, which includes three provisions affecting section 203 of the Voting Rights Act. In addition, the expiration date for section 4(f)(4) and 203, as well as the identification of the census data for making section 203 determinations, should be changed to reflect the amendments to the Voting Rights Act enacted in 2006.

Abstract: The Department of Justice is amending the regulations of the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) to implement the provisions of Public Law 105-277, Making Omnibus Consolidated and Emergency Supplemental Appropriations for fiscal year 1999. The amendments are with regard to: 1) Certification by applicants for dealers' licenses that secure gun storage or safety devices will be available at any place where firearms are sold to

nonlicensed individuals and 2) an amended definition of "antique firearm," to include certain muzzle loading firearms. In addition, the Gun Control Act of 1968 establishes categories of individuals who are prohibited from possessing a firearm. A provision of Public Law 105-277, the Omnibus Appropriations Act of 1999, added aliens in a nonimmigrant classification as an additional prohibited category. In the same Act, the Attorney General was authorized to grant a waiver for individuals disqualified by the new prohibited category. The waiver petition will be granted, inter alia, upon an applicant showing proof of 180 days of residency and a statement of character from the applicant's embassy or consulate and upon a determination by the Attorney General that the waiver should be granted in the interests of justice so as not to jeopardize public safety.

Legal Authority: 21 USC 821; 21 USC 829; 21 USC 871(b)

CFR Citation: 21 CFR 1306

Abstract: DEA is revising its regulations to permit DEA-registered prescribers to write and sign prescriptions electronically. These revised regulations would be in addition to, not a replacement of, the existing rules. These regulations are needed to give pharmacies, hospitals, and practitioners the ability to use modern technology for controlled substance prescriptions, while maintaining the closed system of distribution of controlled substances dispensing. The revised regulations

would reduce paperwork and transaction times for DEA registrants who dispense or prescribe controlled substances. The revised regulations would also reduce the number of prescription errors caused by illegible handwriting and misunderstood oral prescriptions. They would allow pharmacies and hospitals to integrate prescription records into other medical records more directly, increasing efficiency, and would reduce the time patients spend waiting to have prescriptions filled. These revised regulations are consistent with paperwork reduction mandates. These revised regulations also respond to the requirements of Public Law 106-229, the "Electronic Signatures in Global and National Commerce Act," while ensuring security and authentication.

Abstract: In previous rulemakings, DEA made gamma-butyrolactone (GBL) a List I chemical and established thresholds for transactions involving this chemical. This rule establishes a concentration limit for chemical mixtures containing GBL. Currently, all chemical mixtures containing GBL are exempt from regulation. These mixtures will remain exempt until publication of a final rule. GBL is used in the illicit manufacture of gamma-hydroxybutyric acid (GHB), a Schedule I controlled substance.

Abstract: In a previous rulemaking, (RIN 1117-AA57) DEA made red phosphorus, white phosphorus, and hypophosphorous acid (and its salts) List I chemicals. By this rulemaking (1117-AA66), DEA is making regulations governing chemical mixtures containing the List I chemicals red phosphorus, white phosphorus, and hypophosphorous acid (and its salts). Currently, all chemical mixtures containing red phosphorus, white phosphorus, and hypophosphorous acid (and its salts) are exempt from regulation. These mixtures will remain exempt until publication of rulemakings regarding chemical mixtures (see RIN 1117-AA31). These three List I chemicals are used industrially and have multiple commercial purposes. They are also used in the illicit production of methamphetamine and amphetamine. Based on information available, DEA will determine whether there are chemical mixtures containing red phosphorus, white phosphorus, and hypophosphorous acid (and its salts), which should be exempt from the regulations governing listed chemicals.

Abstract: The Drug Enforcement Administration (DEA) is amending its regulation addressing the use of peyote to clarify that the possession, transportation, and use of peyote is lawful only when such activities are engaged in by a member of a federally recognized Indian tribe for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion. This rule is designed to bring the language of DEA's regulatory exemption for the limited use of peyote into harmony with the historical purpose for the regulatory exemption and to comport with the language of the American Indian Religious Freedom Act Amendments of 1994. Use, possession, and transportation of peyote, as well as the cultivation, harvesting, and distribution of peyote, other than as permitted by the American Indian Religious Freedom Act amendments, is permissible only pursuant to a DEA registration and in accordance with the Controlled Substances Act and applicable State laws.

Abstract: DEA is publishing this rule to clarify its registration requirements regarding practitioners practicing in more than one State. There is confusion within the regulated industry regarding whether a practitioner who practices and is registered in one State and wishes to practice and prescribe in another State must register with DEA in the second State. To address the confusion caused by the regulation as currently written, DEA is amending its regulations to make it clear that when an individual practitioner who practices and is registered in one State seeks to practice and prescribe controlled substances in another State, he/she must obtain a separate DEA registration for the subsequent State.

1986. CHANGES IN THE REGULATION OF IODINE AND ITS CHEMICAL MIXTURES**Priority:** Other Significant**Legal Authority:** 21 USC 802; 21 USC 830; 21 USC 871(b); 21 USC 890**CFR Citation:** 21 CFR 1310**Legal Deadline:** None

Abstract: This rulemaking changes the regulation of the listed chemical iodine. The regulatory changes are to 1) move iodine from List II into List I, 2) remove the exemption for import and export transactions in iodine, 3) remove the threshold for iodine, and 4) establish a concentration limit of 2.2 percent for the automatic exemption of chemical mixtures containing iodine.

These changes are expected to remove deficiencies in the current regulatory controls, which have been exploited by traffickers. When finalized, persons handling regulated transactions of iodine will need to be registered with the Drug Enforcement Administration.

This regulation revises regulatory controls that will apply to iodine crystals and iodine chemical mixtures which contain greater than 2.2 percent iodine. This regulation will therefore control iodine crystals and strong iodine tinctures/solutions (e.g., 7 percent iodine) that do not have common household uses and instead have limited application in livestock, horses and for disinfection of equipment. Household products, such as 2 percent iodine tincture/solution and household disinfectants containing iodine complexes, will not be adversely impacted by this regulation.

1987. DEFINITION OF POSITIONAL ISOMER AS IT PERTAINS TO THE CONTROL OF SCHEDULE I CONTROLLED SUBSTANCES**Priority:** Substantive, Nonsignificant**Legal Authority:** 21 USC 802; 21 USC 871(b); 21 USC 951; 21 USC 958(f)**CFR Citation:** 21 CFR 1300**Legal Deadline:** None

Abstract: The Controlled Substances Act (CSA) and its implementing regulations specify which hallucinogenic substances are considered Schedule I controlled substances. The CSA states that all salts, isomers and salts of isomers of these substances are also Schedule I controlled substances.

The CSA states that the term "isomers" as it pertains to Schedule I hallucinogens shall include "optical, positional and geometric isomers." This rule adds a specific, technical definition for the term "positional isomer" as it relates to Schedule I hallucinogens. The definition includes precise language that will allow for an unambiguous determination of which isomers of Schedule I hallucinogenic substances are considered to be "positional," and therefore subject to Schedule I control.

Abstract: This rule amends the Department's regulations by implementing the statutory authority given to immigration judges to sanction by civil money penalty any action or inaction in contempt of the judge's proper exercise of authority. This statutory authority is derived from

section 304 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, Public Law 104-208 (IIRIRA), September 30, 1996. This rule sets forth the types of conduct for which civil money penalty sanctions may be imposed, the procedures for imposing these sanctions, the affirmative defenses which may excuse the imposition of a civil money penalty sanction, and the procedures for

2012. EXECUTIVE OFFICE FOR IMMIGRATION REVIEW ATTORNEY/REPRESENTATIVE REGISTRY

Priority: Substantive, Nonsignificant

Legal Authority: 8 USC 1362

CFR Citation: 8 CFR 1001.1; 8 CFR 1003.0

Legal Deadline: None

Abstract: This rule concerns the Attorney General's authority to authorize practitioners to represent aliens in immigration proceedings pursuant to statute. Under the pertinent statutory provision, aliens in immigration proceedings "shall have the privilege of being represented (at no expense to the Government) by such counsel, authorized to practice in such proceedings, as he shall choose." 8 U.S.C. 1362

The rule arises out of EOIR's electronic Government initiatives, which when fully implemented, will enable electronic case access and filing for individuals in immigration proceedings before EOIR. In essence, the rule amends the current definitions of "attorney" and "representative," the classes of individuals authorized to represent aliens, to include only those persons who have registered with EOIR. Additionally, the rule delegates authority to the Director to require such a registration, and to establish procedures for registration. In concert with that authority, the rule permits the Director to administratively suspend from practice before EOIR any practitioner who fails to comply with registration procedures and requirements.

Functionally, practitioners will be required to register with EOIR over a secure Internet connection, by providing name, address(es), date of birth, last four digits of social security number, and bar admission data. Registered practitioners will be assigned a unique User ID and password that will authorize them to conduct electronic transactions with EOIR from desktop personal computers. Registration of practitioners assures the functionality, security, and success of EOIR's electronic Government initiative, and serves as a prerequisite to electronic case access and filing by practitioners.

The proposed practitioner registration rule furnishes the Attorney General

with the optimum measure of adaptability to establish the criteria and procedures for practitioner registration, while also preserving fairness for regulated parties and ensuring efficiency in Government operations.

Priority: Substantive, Nonsignificant

Legal Authority: Not Yet Determined

CFR Citation: 8 CFR 1003; 8 CFR 1103; 8 CFR 1280

Legal Deadline: None

Abstract: This final rule removes the Board of Immigration Appeals' (Board) jurisdiction over appeals of Department of Homeland Security (DHS) decisions involving administrative fines under part 1280 of title 8 CFR, and transfers that authority to Office of the Chief Administrative Hearing Officer (OCAHO). Part 1280 governs the imposition and collection of fines under a variety of provisions of the Immigration and Nationality Act (INA), most of which pertain to common carriers. Most of the appeals are fines imposed under section 273 of the INA. The transfer is essentially a reallocation of agency resources within the Executive Office for Immigration Review to improve caseload management by substituting a different set of decision makers, the OCAHO for the Board, while preserving the same

Abstract: This rule amends the regulations of the Executive Office for Immigration Review (EOIR) of the Department of Justice (Department) to implement changes made by the 21st Century Department of Justice Appropriations Authorization Act of 2001, Public Law 107-273 (November 2, 2002), to the EB-5 Alien Entrepreneur immigrant classification. This rule will be published in conjunction with a corresponding rule of the Department of Homeland Security (DHS) that addresses changes to their part of the adjudication. In order to be eligible, an alien must have filed a motion to reopen with the former Immigration and Naturalization Service on or before January 2, 2003, seeking reconsideration of his or her case under this new law. This rule provides the process by which certain aliens, who are seeking immigrant status as alien entrepreneurs, may obtain EOIR review of adverse determinations on the removal of the condition on permanent resident status made by United States Citizenship and Immigration Services (USCIS), a

Abstract: The Department of Justice published an NPRM in 1998 and a supplemental NPRM in 2002 (RIN 1115-AE82) to establish that aliens who become subject to a final order of removal have a legal obligation to surrender for removal.

This rule amends the regulations of the Department of Justice to provide that immigration judges and the Board of Immigration Appeals will inform aliens in removal proceedings that they have an affirmative obligation to surrender to Department of Homeland Security (DHS) upon the issuance of a final order of removal by an immigration judge or the Board. Aliens will be informed that the failure to surrender to DHS as required under the DHS rule

will result in the denial of any forms of discretionary relief from removal while the alien remains in the United States and for a period of 10 years after the alien's departure from the United States. This rule is being published jointly with DHS.

Abstract: The Attorney General is required to establish a National Stolen Passenger Motor Vehicle Information System (NSPMVIS) pursuant to the Anti Car Theft Act of 1992 (49 U.S.C. 33109 to 33111). The FBI is coordinating efforts in this matter and, under delegated authority from the Attorney General, the FBI is issuing this rule to establish a national system to verify the theft status of major motor vehicle component parts and junk or salvage vehicles. The system will include certain information about each passenger motor vehicle reported to a law enforcement agency as stolen and not recovered. The rule provides how an individual or entity may obtain information from the system on whether a vehicle or part is listed as stolen. The rule also provides verification procedures to be followed by insurance carriers and certain motor vehicle part businesses. Abstract: As required by section 104 of the Communications Assistance for Law Enforcement Act (CALEA), the FBI published a Notice of Actual and Maximum Capacity in order to provide telecommunications carriers with the information they will need to meet law enforcement's future simultaneous electronic surveillance requirements. The FBI published the Final Notice of Capacity for local exchange, cellular, and broadband PCS on March 12, 1998 (63 FR 12218).

This Notice provided numerical requirements for the "actual" and "maximum" numbers of surveillance that wired and wireless telephone networks should be able to accommodate, broken down by geographic region. The numbers were derived from a survey and analysis of the numbers of surveillance historically conducted at the same time in every region throughout the country.

After its issuance, telecommunications carriers and trade associations challenged the Final Notice on a number of grounds, primarily alleging that the numbers of surveillance stated therein were too high. To summarize, the FBI was directed by the Court of Appeals to provide further explanation on two issues: (1) The decision to treat as "simultaneous" any two or more historical surveillance on the same day and (2) the decision to set forth only one "actual" and one "maximum" capacity requirement number per region, rather than separate requirements for each type of surveillance.

The Supplemental Notice, published on 12/05/2003, provided further explanation for the FBI's interpretation of the term "simultaneously," and set forth a new method of interpreting the existing capacity requirements that will allow carriers to break out the number of communications interceptions from the total requirement. The Supplement also set forth new guidance to reduce the requirements for simultaneous communications interceptions applicable to carriers operating in regions with high capacity requirements. This was done to reduce the concerns raised by the Court of Appeals. The FBI will finalize the Supplement and issue a new Notice for the purpose of responding to the remand of the Court of Appeals.

Abstract: The Private Security Officer Employment Authorization Act of 2004, Public Law 108-458, section 6402(d)(2), (the Act) requires the Attorney General to issue rules to regulate the security, confidentiality, accuracy, use, submission, dissemination, destruction of information and audits, and recordkeeping of the criminal history record information and related information; standards for qualifying an authorized employer; and the imposition of fees. This rule amends

title 28 of the Code of Federal Regulations to implement the Act. The rule authorizes access to FBI-maintained justice information systems to authorize a fingerprint-based check of State and national criminal history records to screen prospective and current private security officers.

CFR Citation: 28 CFR 20

Abstract: This rule amends FBI regulations defining the offenses that may serve as the basis for maintaining fingerprints and criminal history record information (CHRI) in its criminal history record information systems. The relevant FBI information systems include the Fingerprint Identification Record System (FIRS), which maintains fingerprints records, and the Interstate Identification Index (III) System, which maintains fingerprint-supported CHRI.

The amendment broadens the definition of includable offenses to permit the retention of information relating to currently excluded non-serious offenses (NSOs) as well as information relating to "serious and/or significant adult or juvenile offenses." The revised regulation will permit the retention and exchange of fingerprints and CHRI relating to NSOs when provided by the submitting jurisdiction for retention by the FBI. Such NSO information is currently maintained only at the State and local levels.

The change allows for the more uniform collection of CHRI at the Federal level. It establishes more uniform sharing of such information among the States by allowing States to make NSO information available for national criminal history record searches—for both criminal justice and non-criminal justice purposes—by submitting such information for retention by the FBI.

CFR Citation: 8 CFR 274; 21 CFR 1316; 28 CFR 8 (Revision); 28 CFR 9 (Revision)

Legal Deadline: Final, Statutory, August 23, 2000, CAFRA applies to all forfeiture actions commenced on or after 8/23/00.

Abstract: By this rule, the Department does five things.

First, the Department is implementing new forfeiture procedures required by the Civil Asset Forfeiture Reform Act of 2000 (CAFRA). CAFRA's procedural changes enhance the ability of property owners to contest the forfeiture of seized property. CAFRA also makes other changes beneficial to property

owners. In particular: 1) The requirement to file a bond for costs with a claim is eliminated; 2) the time for filing a claim is extended; and 3) the release of seized property is required under various circumstances. Congress made CAFRA's changes applicable to forfeiture proceedings commenced on or after August 23, 2000.

Second, the Department is adding a provision allowing the pre-forfeiture disposition of seized property when the expense of holding the property is disproportionate to its value. This provision is needed to implement the pre-existing authority of 19 U.S.C. section 1612(b)—one of the customs laws' procedural statutes incorporated by reference in forfeiture statutes

DOJ—LA

enforced by the Department. This provision will enable the Department to use the authority of section 1612(b) in appropriate cases to avoid disproportionately high storage and maintenance costs for seized property pending forfeiture.

Third, this rule consolidates previously existing forfeiture regulations of the DEA and the FBI in order to achieve greater consistency and promote overall fairness in the administrative forfeiture process by avoiding unnecessary differences in component procedures.

Fourth, the rule adds seizure-forfeiture authority for the FBI in 18 U.S.C. section 1594 cases (forfeiture of property involved in peonage and slavery (Pub. L. 106-386; 114 Stat. 1464 (October 28, 2000))).

Fifth, the rule modifies the regulations at 28 CFR part 9 governing petitions for remission or mitigation of forfeiture to refer only to DEA's "Forfeiture Counsel" as the pertinent official in DEA's forfeiture cases; to incorporate where applicable CAFRA's statutory criteria for innocent ownership; and to provide discretionary authority for the Ruling Officer to waive the payment of forfeiture-related costs and expenses, except payments of awards based on the forfeiture and payments of the recognized interests of other third parties in the property forfeited, as a condition of remission in cases in which the petitioner is a victim of the underlying offense. In addition, the discretionary authority to waive costs in remissions to owners and lienholders that is already provided at 28 CFR 9.7(a)(3) and 9.7(b)(2)(i) and (ii) is amended to incorporate the same exceptions as those applicable in remissions to victims.

CFR Citation: 28 CFR 58

Abstract: The Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 ("BAPCPA") (Pub. L. No. 109-8) amended 28 U.S.C. 586(d)(2) to clarify that standing trustees and panel trustees who cease to be assigned to cases filed under title 11, United States Code, may obtain judicial review of the final agency decision by commencing an action in the District court after first exhausting all available administrative remedies, which if the trustee so elects, shall also include an administrative hearing on the record. The Attorney General is directed to prescribe procedures to implement these changes. Pursuant to an order dated October 14, 2005, the Attorney General delegated his authority to promulgate rules necessary to implement the provisions of the BAPCPA that relate to the administration and supervision of bankruptcy cases by the United States Trustee Program to the Director of the Executive Office for United States Trustees. 28 CFR 58.6 currently sets forth the procedures for suspension and removal of panel trustees and standing trustees. The Executive Office for United States Trustees is amending these procedures to reflect the changes required by 28 U.S.C. 586(d)(2) under the authority delegated by the Attorney General in his October 14, 2005, order.

2034. CONFORMING OVW GRANT PROGRAMS REGULATIONS TO STATUTORY CHANGES

Priority: Substantive, Nonsignificant

Legal Authority: PL 109-162

CFR Citation: 28 CFR 90

Legal Deadline: None

Abstract: The Office on Violence Against Women issued a Notice of Proposed Rulemaking in December 2003 relating to clarification of the match requirement under the STOP

DOJ—LA

Proposed Rule Stage

Formula Grant Program and the STOP Violence Against Indian Women Discretionary Grant Program. On January 5, 2006, President Bush signed the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005, Pub. L. 109-162). VAWA 2005 changed the match requirements governing these programs and made other changes to OVW grant programs. Because of this, the specific changes proposed in the prior Notice are no longer applicable. Changes to the match requirement due to VAWA 2005 will be included in this new rulemaking.

This rule proposes to amend the regulations for certain violence against women grant programs to comply with statutory changes. The STOP (Services-Training-Officers-Prosecutors) Violence Against Women Formula Grant Program and the STOP Violence Against Indian Women Discretionary Grant Program are codified at 42 U.S.C. 3796gg through 3796gg-5. The final rule for these programs, found at 28 CFR part 90, was promulgated on April 18, 1995. The Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program is codified at 42 U.S.C. 3796hh through 3796hh-4. The final rule for the program, found at 28 CFR part 90, subpart D, was promulgated on August 6, 1996. The Grants to Reduce Violent Crimes Against Women on Campus Program was authorized by title VIII, part E, section 826, of the Higher Education Amendments of 1998, Public Law No. 105-244, 112 Stat. 1581 (Oct. 7, 1998). VAWA 2005 reauthorized the program and removed it from the Higher Education Amendments. The final rule for the program, found at 28 CFR part 90, subpart E, was promulgated on July 22, 1999. This rule proposes to amend the regulations governing the STOP Violence Against Women Formula Grant Program, the STOP Violence Against Indian Women Discretionary Grant Program, the Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program, and the Grants to Reduce Violent Crimes Against Women on Campus Program to comply with the amendments to these programs enacted by VAWA 2005. These proposed changes to the regulations simply incorporate statutory changes and make some minor technical corrections.

Abstract: This rule sets forth the procedures for the administrative review of denials of standing trustees' claims that certain expenses are actual, necessary for their administration of chapter 12 and 13 cases. Section 1231(b) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 ("BAPCPA"), as codified at 28 U.S.C. 586(e)(3)(4) requires that: (1) Standing trustees exhaust all administrative remedies pertaining to denial of a claim of actual, necessary expenses before seeking judicial review of them; and, (2) the Attorney General prescribe procedures for administrative review of such claim denials. This rule ensures that the process of administratively reviewing denials of standing trustees' expense claims is fair and effective.

Abstract: This rule sets forth the application procedures to be used by United States Trustees for approval of nonprofit budget and credit counseling agencies and for approval of providers of a personal financial management instructional course under the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 ("BAPCPA"). Under the BAPCPA, individual debtors are required to consult with approved agencies to receive a briefing on the opportunities for credit counseling and a budget analysis, within 180 days before filing for bankruptcy relief, and to consult with approved providers of a personal financial management instructional course, after filing for relief, before receiving a discharge of their debts. The BAPCPA also sets forth procedures and standards for the United States Trustee to use in approving agencies and providers for subsequent inclusion on a publicly available agency list and provider list in each Federal judicial district where they are deemed qualified to counsel or instruct individuals.

Abstract: In the Child Protection and Obscenity Enforcement Act of 1998, Public Law No. 100-690, as amended by the Child Protection Restoration and Penalties Enhancement Act of 1990, Public Law No. 101-647, and the Prosecutorial Remedies and Other Tools to End the Exploitation of Children Today Act of 2003, Public Law No. 108-21, Congress set forth requirements at section 2257, title 18, United States Code, concerning

recordkeeping requirements for producers of sexually explicit material. Section 2257 of title 18, United States Code, specifies steps that must be taken by persons who produce materials depicting sexually explicit conduct to determine the names and dates of birth of persons depicted in those materials, lists records that must be kept by persons producing those materials, and requires that notices as to the location of those records be affixed to those materials. 28 CFR part 75 contains recordkeeping and inspection requirements implementing section 2257, title 18, United States Code. On May 24, 2005 (70 FR 29607), the Department published a final rule amending these requirements at 28 CFR part 75 to bring the regulations up to date and to make the inspection process effective for the purposes set by Congress in enacting section 2257.

This rule amends the recordkeeping and inspection requirements of 28 CFR part 75 to account for changes in the underlying statute, 18 U.S.C. section 2257, made by the Adam Walsh Child Protection and Safety Act of 2006.

2039. DESIGNATION OF AGENCIES TO RECEIVE AND INVESTIGATE REPORTS REQUIRED UNDER THE PROTECTION OF CHILDREN FROM SEXUAL PREDATORS ACT

Priority: Substantive, Nonsignificant

Legal Authority: 42 USC 13032

CFR Citation: 28 CFR 81

Legal Deadline: NPRM, Statutory, April 28, 1999.

Abstract: On October 30, 1998, Congress passed the Protection of

Children From Sexual Predators Act of 1998 (PCSPA). The PCSPA requires providers of an electronic communication service or a remote computing service to the public, through a facility or means of interstate or foreign commerce, to report incidents of child pornography as defined by sections 2251, 2251A, 2252, 2252A, or 2260 of title 18, United States Code, to the appropriate Federal agency. In order to facilitate effective reporting, the PCSPA requires the

Attorney General to "designate an agency" to receive and investigate such reports of child pornography. The proposed rule previously published set forth the Attorney General's proposed designations and certain other matters covered by the PCSPA's reporting requirements.

On November 29, 1999, as part of the Consolidated Appropriations Act, 2000, Public Law 106-113, 113 Stat. 1501, Congress amended 42 U.S.C. 13032 to require providers to report such

DOJ—LA

incidents to the Cyber Tipline at the National Center for Missing and Exploited Children (NCMEC), which shall forward that report to a law enforcement agency or agencies designated by the Attorney General. As amended by the Prosecutorial Remedies and Other Tools to End the Exploitation of Children Today Act of 2003, Public Law No. 108-21, the PCSPA also requires providers to report incidents of child pornography involving violations of section 2252B of title 18, United States Code, and incidents of violations of section 1466A, title 18, United States Code, and permits NCMEC to forward reports to State and local law enforcement agencies where appropriate. On November 4, 2003, an interim final rule was published designating four Federal law enforcement agencies that will receive reports pursuant to 42 U.S.C. 13032. These include the Federal Bureau of Investigation, the Bureau of Immigration and Customs Enforcement, the U.S. Postal Inspection Service, and the U.S. Secret Service.

In a related matter, RIN 1105-AB06, "Reporting Under the Protection of Children From Sexual Predators Act, as Amended," the Department is preparing a notice of proposed rulemaking to provide guidance to those law enforcement agencies and to the providers making the reports.

2040. GUIDELINES FOR THE PROTECT ACT AMENDMENTS TO THE JACOB WETTERLING CRIMES AGAINST CHILDREN AND SEXUALLY VIOLENT OFFENDER REGISTRATION ACT**Priority:** Info./Admin./Other**Legal Authority:** 42 USC 14071; PL 108-21**CFR Citation:** None**Legal Deadline:** None

Abstract: Section 170101 of the Violent Crime Control and Law Enforcement Act of 1994, Public Law No. 103-322, 108 Stat. 1796, 2038 (codified at 42 U.S.C. 14071) contains the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (the "Wetterling Act"). The Wetterling Act sets minimum national standards for State sex offender registration and community notification programs and directs the Attorney General to issue guidelines for such programs. The main set of current Wetterling Act guidelines was published on January 5, 1999, in the Federal Register (64 FR 572, with corrections at 64 FR 3590), and a supplementary set of guidelines for the Campus Sex Crimes Prevention Act amendment to the Wetterling Act was published on October 25, 2002, in the Federal Register (67 FR 65598). States that fail to comply with the Wetterling Act's requirements (as implemented and explained in the Attorney General's guidelines) are subject to a mandatory 10 percent reduction of the formula grant funding available under the Edward Byrne Memorial State and Local Law Enforcement Assistance Program (42 U.S.C. 3756), which is administered by the Bureau of Justice Assistance of the Department of Justice.

Subsequent to the publication of the current Wetterling Act guidelines, the Wetterling Act was amended by sections 604 and 605 of the Prosecutorial Remedies and Other Tools to end the Exploitation of Children Today Act of 2003, or PROTECT Act, Public Law 108-21, 117 Stat. 650, 688 (2003). These amendments provide that the means by which a State provides information to the public concerning registered sex offenders must include an Internet site and add child pornography production and distribution offenses to the list of crimes against children for which registration is required under the

Wetterling Act's standards.

Supplementary guidelines are necessary to take account of the PROTECT Act amendments to the Wetterling Act.

Abstract: The Department of Justice is publishing this rule to implement section 203(b) of Public Law 108-405, the Justice for All Act of 2004. The Justice for All Act of 2004 authorizes the Department of Justice to treat offenses in certain specified categories as qualifying Federal offenses for purposes of DNA sample collection. This rule amends regulations to reflect new categories of Federal offenses subject to DNA sample collection. The Justice for All Act amendment added "[a]ny felony" as a specified offense category in 42 U.S.C. 14135a(d)—thereby permitting the collection of DNA samples from all convicted Federal felons. This rule includes the new "any felony" category and does not change the coverage of misdemeanors in certain categories already included under prior law.

2042. PRESERVATION OF BIOLOGICAL EVIDENCE UNDER 18 U.S.C. 3600A

Priority: Other Significant**Legal Authority:** 18 USC 3600A**CFR Citation:** 28 CFR 28

Legal Deadline: Other, Statutory, April 28, 2005, Implementing regulations required within 180 days of enactment.

Abstract: The Department of Justice is publishing this rule to implement 18 U.S.C. 3600A. That statute requires the Federal Government to preserve biological evidence in Federal criminal cases in which defendants are under sentences of imprisonment, subject to certain limitations and exceptions. Subsection (e) of the statute requires the Attorney General to promulgate regulations to implement and enforce the statute. This rule adds a new

subchapter C to 28 CFR part 28 to effect the required implementation and enforcement of 18 U.S.C. 3600A. The new provisions added by this rule explain and interpret the evidence preservation requirement of 18 U.S.C. 3600A, and include provisions concerning sanctions for violations of that requirement.

Abstract: The Department of Justice (DOJ) is participating with other Federal agencies in the final step of an initiative of the Office of Management and Budget (OMB) to make the rules on nonprocurement suspension and debarment easier to find and use. On May 11, 2004 (69 FR 27276), a new title 2 "Grants and Agreements" was established in the Code of Federal Regulations (CFR) as the location of all grants-related Governmentwide guidance and agency implementing

regulations. On March 11, 2005 (70 FR 12144), the Department published a final rule completing its adoption of the Governmentwide "common rule," which recast the nonprocurement suspension and debarment regulations in plain English and made other required updates. On August 31, 2005 (70 FR 51863), OMB published nonprocurement guidance on suspension and debarment guidance in part 180 of the new 2 CFR.

This rule is the final step in the current rulemaking process whereby agencies will (1) replace the agency's part containing the full text of the suspension and debarment common rule with a brief part implementing the OMB guidance; (2) include in that brief part any agency-specific guidance supplementing the OMB guidance; and (3) collocate the part in title 2 CFR with OMB's guidance and other agencies' rules.

Abstract: The Office of Justice Programs is issuing this rulemaking to amend the title and the definitions of "Indian tribe" and "construction" within 28 CFR part 91, subpart C (which outlines the requirements and

procedures to award grants to Indian tribes for constructing jails on tribal lands for the incarceration of offenders subject to tribal jurisdiction). Congress has mandated a new definition of "Indian tribe," and with this broader definition, Federal funds through the Office of Justice Programs are now available to a larger universe of tribal entities. The amendment to the definition of "construction" is simply to expand and clarify the existing definition to assist applicants and

grantees in better understanding the allowable scope a project may take.

Abstract: The Bureau of Justice Assistance (BJA) is publishing final regulations implementing the Bulletproof Vest Partnership Grant Acts of 1998 and 2000, which authorize BJA funds to eligible States, units of local government, and Indian tribes to purchase armored vests for use by law enforcement officers. This final rule reflects the revised process by which eligible jurisdictions may register, apply, and request funding under BJA's Internet-Based Bulletproof Vest Partnership Grant Program.

On September 23, 1998, BJA published an interim final rule, with a request for comments (63 FR 50759). The interim final rule established the process by which BJA would implement the Bulletproof Vest Partnership Grant Act of 1998. BJA did not receive any comments in response to the interim final rule. Nevertheless, BJA initiated numerous outreach efforts, in the form of focus groups and beta testing, to ensure that all affected parties had ample opportunity to review and participate in the program's design and development.
