

practices; and information, marketing, advocacy needs of their sector. Thirteen ITACs provide advice and information on issues that affect specific sectors of U.S. industry. Three ITACs focus on cross-cutting, functional issues that affect all industry sectors: customs matters and trade facilitation (ITAC 14); intellectual property rights (ITAC 15); and standards and technical trade barriers (ITAC 16). In addition to members appointed exclusively to these three ITACs, ITACs 1–13 each may select a member to represent their ITAC on each of these three cross-cutting ITACs so that a broad range of industry perspectives is represented. Other trade policy issues, e.g., government procurement, subsidies, etc., are handled in ad hoc policy meetings.

Committees meet an average of six times a year in Washington, DC. Some ITACs meet more often depending on the work of a particular committee.

#### Membership

Members serve without compensation and are responsible for all expenses incurred to attend the meetings. ITAC members are appointed jointly by the Secretary of Commerce and the USTR. Appointments are made at the chartering of each Committee and periodically throughout the four-year charter term. Members serve at the discretion of the Secretary and the USTR. Appointments to an ITAC expire at the end of the Committee's charter term, in this case, February 17, 2010.

Each Committee elects a chairperson from the membership of the Committee, and that chairperson serves on the Committee of Chairs of the ITACs.

#### Eligibility

Eligibility for membership on any Committee is limited to U.S. citizens who are not full-time employees of a governmental entity and are not registered with the Department of Justice under the Foreign Agents Registration Act. Members must represent a U.S. entity that (a) is directly engaged in the import or export of goods or that sells its services abroad, or (b) is an association of such entities. For purposes of the preceding sentence, a "U.S. entity" is an organization incorporated in the United States (or if unincorporated, having its principal place of business in the United States) that is controlled by U.S. citizens or by another U.S. entity. An entity is not a U.S. entity if 50 percent plus one share of its stock (if a corporation, or a similar ownership interest of an unincorporated entity) is controlled, directly or indirectly, by non-U.S. citizens or non-U.S. entities. If the nominee is to

represent an entity or corporation with ten percent or greater non-U.S. ownership, the nominee must demonstrate at the time of nomination that this ownership interest does not constitute control and will not adversely affect his or her ability to serve as a trade advisor to the United States.

In addition to the industry representatives, the ITACs on Chemicals, Pharmaceuticals, Health/Science Products and Services (ITAC 3) and on Forest Products (ITAC 7) have environmental representatives. The Secretary of Commerce and the USTR also are soliciting nominations for the appointment of public health or health care community representatives to the ITACs on Chemicals, Pharmaceuticals, Health/Science Products and Services (ITAC 3) and on Intellectual Property Rights (ITAC 15). Commerce solicited nominations for public health or health care community representatives in December 2005 (70 FR 74776, Dec. 16, 2005). Commerce is still in the process of considering nominations received in response to that solicitation. Anyone who submitted a nomination in response to that announcement does not need to submit an additional nomination in response to this broader announcement. Environmental representatives and public health and health care community representatives must represent a U.S. entity interested in issues relevant to the work of the specific ITAC. A nongovernmental organization is a "U.S. entity" if the organization is (1) Incorporated in the United States (or, if unincorporated, having its headquarters in the United States), (2) the organization is controlled by U.S. citizens or by another U.S. entity, and (3) at least 50 percent of the organization's annual revenue is attributable to nongovernmental U.S. sources. Regarding the controlled by factor, a nongovernmental organization is not a U.S. entity if more than 50 percent of its Board of Directors or membership is made up of non-U.S. citizens. If the nominee is to represent an organization more than ten percent of whose Board of Directors or membership is made up of non-U.S. citizens or non-U.S. entities, the nominee must demonstrate at the time of nomination that this non-U.S. interest does not constitute control and will not adversely affect his or her ability to serve as a trade advisor to the United States.

Members are selected to represent their respective sponsoring U.S. entity's interests on trade matters and thus nominees are considered foremost based upon their ability to carry out the goals of section 135(c) of the Trade Act of

1974, as amended. Other criteria are the nominee's knowledge of and expertise in international trade issues as relevant to the work of the committee and ensuring that the Committees are balanced in terms of sectors, product lines, demographics, geographic representation, and company size. Appointments to all ITACs are made without regard to political affiliation. All ITAC members must be able to obtain and maintain a security clearance.

#### Application Procedures

For consideration, a nominee should send (1) A sponsor letter, (2) a resume, with demonstrated knowledge of international trade issues, and (3) company or organization information to the Director, Industry Trade Advisory Center, U.S. Department of Commerce, 14th and Constitution Avenue, NW., Room 4043, Washington, DC 20230. Sponsor letters must be on the company or organization letterhead. Company or organization information must address the activities, products, or services of the U.S. entity to be represented and certify that the entity is a U.S. entity as defined in the Eligibility section above. Additional requirements exist for nominations of consultants, legal advisors, and trade associations. The specific requirements will vary depending on the nature of the organization and interests to be represented. Interested consultants, legal advisors, and trade associations should contact the Industry Trade Advisory Center or consult the ITAC Web site for additional information on the submission requirements.

This notice is issued pursuant to the Federal Advisory Committee Act (5 U.S.C., app. 2), 19 U.S.C. 2155, and 21 CFR part 14 relating to advisory committees.
