Arms Control and Nonproliferation Advisory Board (ACNAB); Meeting Notice

Closed Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act, 5 U.S.C. app 2 § 10(a)(2), the Department of State announces a meeting of the Arms Control and Nonproliferation Advisory Board (ACNAB) to take place on May 11, 2006, at the Department of

State, Washington, DC. Pursuant to section 10(d) of the Federal Advisory Committee Act, 5 U.S.C. app 2 § 10(d) and 5 U.S.C. 552b(c)(1), it has been determined that this Board meeting will be closed to the public in the interest of national defense and foreign policy because the Board will be reviewing and discussing matters classified in accordance with Executive Order 12958. The purpose of the ACNAB is to provide the Department with a continuing source of independent advice on all aspects of arms control, disarmament, international security, and public diplomacy. The agenda for this meeting includes classified briefings and other discussions related to the Board's ongoing studies on current U.S. policy and issues regarding the National Strategy for Combating Weapons of Mass Destruction, Counter-Terrorism and Space Policy. For more information, contact Matthew Zartman, Deputy Executive Director of the Arms Control and Nonproliferation Advisory Board, Department of State, Washington, DC 20520, telephone: (202) 736-4244.

Dated: April 10, 2006.

Dr. George W. Look,
Executive Director of The Secretary's Arms Control and Nonproliferation Advisory Board, Department of State.

SUPPLEMENTARY INFORMATION:

Title: Small Community Air Service Development Program.

OMB Control Number: XXXX-XXXX.

Type of Request: Comments on data collection.

Abstract: The Department of Transportation needs to collect certain information from eligible grant applicants in order to evaluate community proposals for financial grants to address their air service/air fare needs under the criteria set forth in 49 U.S.C. 41743 for the Small Community Air Service Development Program (Small Community Program) (Grant Application Form). In addition, the Department needs to collect information from those communities selected for grant awards regarding improvements to their air services and air fares, the community's expenditures made in conjunction with the authorized air service/fare improvements, and the effectiveness of the expenditures for such service(s). The purpose of these collections is to permit the Department to monitor the effects of the Small Community Program on the use of the air service at the local airport (Enplanement Report); to effectively and efficiently process a community's reimbursement requests during implementation of the air service/air fare improvements (Reimbursement Form); and to monitor and evaluate the effectiveness of the project being implemented with federal funding provided under the Small Community Program (Final Report).

Respondents: Eligible local communities or consortia of communities and/or local airports serving those communities.

Estimated Number of Respondents: 380. This consists of approximately 100 grant applicants each year; 120 grant recipients filing enplanement reports and reimbursement requests; and 40 grant recipients filing final reports each year.

Estimated Total Burden on Respondents: 13,200 hours. This consists of 8,000 hours for the application process; 480 hours for enplanement reports; 400 hours for final reports, and 4,320 hours for reimbursement requests. For applications, this assumes a maximum of 80 hours to prepare an application for
