Bernhardt Furniture Company Upholstery Plant #5 Including On-Site Leased Workers of Able Body Temporary Service, Lenoir, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for

Worker Adjustment Assistance on July 11, 2005, applicable to workers of Bernhardt Furniture Company, Upholstery Plant #5, including on-site leased workers of Able Body Temporary Service, Lenoir, North Carolina. The notice was published in the **Federal Register** on August 26, 2005 (70 FR 50412). The workers are engaged in the production of frames and frame components for upholstery manufacturing.

New information provided by the petitioners show their intention was to apply for all available Trade Act benefits at the time of the filing. Therefore, the Department has made a decision to investigate further to determine if the workers are eligible to apply for Alternative Trade Adjustment Assistance.

Information obtained from the company states that a significant

number of workers of the subject firm are age 50 or over, workers have skills that are not easily transferable, and conditions in the industry are adverse.

Review of this information shows that all eligibility criteria under section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended have been met for workers at the subject firm.

Accordingly, the Department is amending the certification to reflect its finding.

The amended notice applicable to TA-W-57,273 is hereby issued as follows:

All workers of Bernhardt Furniture Company, Upholstery Division, Plant #5, including on-site leased workers of Able Body Temporary Services, Lenoir, North Carolina, who became totally or partially separated from employment on or after May 25, 2004 through July 11, 2007, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974 and are also eligible to apply for Alternative Trade

Adjustment Assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC this 2nd day of June 2006.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.

I. Section (a)(2)(A) all of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. Increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers' separation or threat of separation and to the decline in sales or production of such firm or subdivision; or

II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

C. One of the following must be satisfied:

1. The country to which the workers' firm has shifted production of the articles is a party to a free trade agreement with the United States;

2. The country to which the workers' firm has shifted production of the articles to a beneficiary country under the Andean Trade Preference Act, African Growth and Opportunity Act, or the Caribbean Basin Economic Recovery Act; or

3. There has been or is likely to be an increase in imports of articles that are like or directly competitive with articles which are or were produced by such firm or subdivision.

Also, in order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance as an adversely affected secondary group to be issued, each of the group eligibility requirements of section 222(b) of the Act must be met.

(1) Significant number or proportion of the workers in the workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) The workers' firm (or subdivision) is a supplier or downstream producer to a firm (or subdivision) that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance benefits and such supply or production is related to the article that was the basis for such certification; and

(3) Either—(A) The workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or
