**SUPPLEMENTARY INFORMATION:**

**Extension of Final Results:**

On June 1, 2006, the Department of Commerce (the Department) published, in the **Federal Register**, the notice of initiation of the second five-year sunset review of the countervailing duty order on OCTG from Italy, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-year ("Sunset") Reviews*, 71 FR 31153 (June 1, 2006). On July 21, 2006, the Department determined that the substantive responses filed by the Government of Italy (GOI), the European Union/Delegation of the European Commission (EU) and Dalmine S.p.A. (Dalmine) were inadequate and that this sunset review would be conducted on an expedited basis. See July 21, 2006 memo from the sunset team to Stephen J. Claeys, through Barbara E. Tillman, *Adequacy Determination: Sunset Review of the Countervailing Duty Order on Oil Country Tubular Goods from Italy (Second Review)*. This memorandum is on file in the Central Records Unit, room B-099 of the main Commerce building. The Department's final results of this review were scheduled for September 29, 2006; however, the Department needs additional time to make its final determination.

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its final determination in a sunset review by not more than 90 days, if it determines that the review is extraordinarily complicated. The Department needs additional time to consider issues related to whether a countervailable subsidy is likely to continue or recur if the order is revoked. Specifically, the Department has determined that it is necessary to verify certain of the information provided by respondents in this review. Therefore, the Department will extend the deadline in this proceeding, and, as a result, intends to issue the final results of the sunset review of the countervailing duty order on OCTG from Italy, no later than December 19, 2006, an additional 81

days from the date of initiation of this review.

This notice is issued and published in accordance with sections 751(c)(5)(B) and (C) of the Act.

Dated: September 26, 2006.

**Amendment to Notice**

**AGENCY:** International Trade Administration, Department of Commerce.

**SUMMARY:** This notice amends the June 30th notice (71 FR 37543) to extend the deadline to October 27, 2006, for submission of applications for the Summit only portion of the Department of Commerce Under Secretarial Business Development Mission to India and to raise the ceiling on the number of participants for the Summit portion of the Mission to 230. These changes are implemented in response to overwhelming interest on the part of the U.S. business community and an agreement on the part of the Summit sponsors in India to accommodate an increased participant base. The application for the Summit portion of the India Business Development Mission is available in a downloadable fax-back version on the event Web site: <http://export.gov/indiamission>. The application may also be completed and submitted online. Leaders of U.S. business, industry, education, and state and local government are among those encouraged to take part in the Summit, where strategic breakout sessions will provide access to India's high-level business, industry, and government representatives and insights into the country's trade and investment climate. The deadline to apply for the post-Summit spin-off missions to be held in Bangalore, Kolkata, Chennai, Hyderabad, Mumbai, and New Delhi remains October 2, 2006. The spin-off missions are open to qualified U.S. business representatives seeking one-on-one business appointments with prospective agents, distributors, partners, and end-users. Applications for the spin-off missions are available on the above-cited event Web site. Selection criteria and procedures for the Summit and spin-off missions are included in the Trade Mission Statement on the Web site.
