The Proposal

The FAA is considering an amendment to part 71 of the Federal Aviation Regulation (14 CFR part 71) to establish Class E airspace at Butler, GA. Class E airspace designations for airspace areas extending upward from 700 feet or more above the surface of the earth are published in Paragraph 6005 of FAA Order 7400.9N, dated September 1, 2005, and effective September 16, 2005, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February

26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

1. The authority citation for part 71 continues to read as follows:

§71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9N, Airspace Designations and Reporting Points, dated September 1, 2005, and effective September 16, 2005, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward from 700 feet or More Above the Surface of the Earth.

Conflicts of Interest in Self-Regulation and Self-Regulatory Organizations

AGENCY: Commodity Futures Trading Commission ("Commission").

ACTION: Extension of comment period.

SUMMARY: On July 7, 2006, the Commission published proposed Acceptable Practices for section 5(d)(15) of the Commodity Exchange Act ("Act").¹ Comments on the proposal were originally due by August 7, 2006. Now, at the request of interested parties, the Commission is extending the comment period to September 7, 2006.

DATES: Comments must be received by September 7, 2006.

ADDRESSES: Written comments should be sent to Eileen A. Donovan, Acting Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. Comments may also be submitted via E-mail at secretary@cftc.gov. "Regulatory Governance" must be in the subject field of responses submitted via E-mail, and clearly indicated in written

Rachel F. Berdansky, Acting Deputy Director for Market Compliance, (202) 418-5429; or Sebastian Pujol Schott, Special Counsel, (202) 418-5641. Division of Market Oversight, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581.

SUPPLEMENTARY INFORMATION: On July 7, 2006, the Commission published and sought public comment on proposed Acceptable Practices for Section 5(d)(15) of the Act ("Core Principle 15"). The proposed Acceptable Practices would provide designated contract markets ("DCMs") with a safe harbor for compliance with selected aspects of Core Principle 15's requirement that they minimize conflicts of interest in their decision-making. The Commission's proposal contains four parts. First, the Board Composition Acceptable Practice proposes that DCMs minimize potential conflicts of interest by maintaining governing boards composed of at least fifty percent "public" directors. Second, the proposed Regulatory Oversight Committee Acceptable Practice calls upon DCMs to establish board-level Regulatory Oversight Committees, composed solely of public directors, to oversee regulatory functions. Third, the Disciplinary Panel Acceptable Practice proposes that each disciplinary panel at all DCMs include at least one public participant, and that no panel be dominated by any group or class of exchange members. Finally, the proposed Acceptable Practices provide a definition of "public" for DCM directors and for members of disciplinary panels.

By letters dated July 14 and July 17, 2006, the Chicago Board of Trade ("CBOT") and Chicago Mercantile Exchange ("CME"), respectively, requested that the original comment period be extended. CBOT requested an extension to at least September 6, and CME requested an extension to at least September 7. Recognizing the significance of the issues raised in the proposed Acceptable Practices, and to encourage the submission of meaningful comments, the Commission has decided to grant the requests. The comment period for the Commission's proposed Acceptable Practices for Section 5(d)(15) of the Act is hereby extended to September 7, 2006.

Issued in Washington, DC, on July 28, 2006, by the Commission.
