#### SUPPLEMENTARY INFORMATION:

*Title:* Electronic Mailing List Subscription Form.

*OMB Number:* Not yet assigned.

*Expiration Date:* Not yet assigned.

*Type of Request:* Approval for data collection from individuals working in the areas of water quality and water resources.

*Abstract:* The form would include the following items:

This form contains five items and is used to collect information about participants who are interested in joining an electronic discussion group. The form collects data to see if a person is eligible to join the discussion group. Because these electronic discussion

groups are only available to people who work in the areas of water quality and water resources, it is necessary to gather this information. The questionnaire asks for the person's name, e-mail address, job title, work affiliation, and topics of interest.

*Estimate of Burden:* Public reporting burden for this collection of information is estimated to average 1 minute per response.

*Respondents:* Individuals who are interested in joining an electronic discussion group.

*Estimated Number of Respondents:* 750 per year.

*Estimated Total Annual Burden on Respondents:* 750 minutes or 12.5 hours.

Comments are invited on (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who respond, including the use of appropriate automated, electronic, mechanical, or other technology. Comments should be sent to the address in the preamble. All responses to the notice will be summarized and included in the request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record.

Dated: December 14, 2005.

### Submission for OMB Review; Comment Request

January 11, 2006.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments

regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

### Food and Nutrition Service

*Title:* Monitoring Trends in the Public Health Nutrition Workforce.

*OMB Control Number:* 0584-NEW.

*Summary of Collection:* The Food and Nutrition Service Programs (FNS) wishes to conduct a study to monitor trends in the education and training, work experience, areas of practice, and training needs of the public health nutrition workforce at the state and local government levels. FNS will conduct a survey to obtain information to assess the agency's efforts to recruit and retain public health and community nutritionists to staff the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). There are two levels of respondents: (1) the 55 designated state and territorial
