The Council by law represents the interests both of consumers and of the financial services industry (15 U.S.C. 1691(b)). Under the Rules of Organization and Procedure of the Consumer Advisory Council (12 CFR 267.3), members serve three-year terms that are staggered to provide the Council with continuity.

### Analysis of Agreement Containing Consent Order To Aid Public Comment

The Federal Trade Commission has accepted, subject to final approval, an agreement containing a consent order from Take-Two Interactive Software, Inc. and Rockstar Games, Inc. (“the companies”). The proposed consent order has been placed on the public record for thirty (30) days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will again review the agreement and the comments received, and will decide whether it should withdraw from the agreement or make final the agreement's proposed order.

This matter involves alleged deceptive representations in advertising and on product packaging concerning the content in the video game *Grand Theft Auto: San Andreas* (“*San Andreas*”). In September 2004, the companies submitted materials to the Entertainment Software Rating Board (“ESRB”) for the purpose of obtaining a rating for the PlayStation 2 version of *San Andreas*. The companies did not inform the ESRB about the existence of an interactive sex mini-game that was embedded in the game's computer code, but was inaccessible during normal game play. Nor did the companies tell the ESRB that the game disc contained data files (unused in game play) for female skins, which, if accessed, render the female characters partially or completely nude. However, the ESRB's published requirements in effect at that time did not state that game companies were required to disclose unused skins in the game software or content in the game code that was inaccessible and unplayable without modifying the code. Based on the companies' submission, the ESRB assigned *San Andreas* a M (Mature 17+) rating and content descriptors for Blood and Gore, Intense Violence, Strong Language, Strong Sexual Content, and Use of Drugs. The companies released the Playstation 2 version of *San Andreas* in October 2004.

On June 7, 2005, the companies released versions of *San Andreas* playable on PCs and the Xbox console. The PC and Xbox game discs also contained the same code for the sex mini-game and the nude skins. As with the PlayStation 2 version, the companies did not disclose the existence of the disabled sex mini-game or the nude skins on the PC and Xbox game discs. The ESRB rated the PC and Xbox versions of the game M (Mature
