

EPA with a better understanding about how people relate to their personal impacts on the environment, and will lead to improved communication between members of the general public, environmental regulators, and resource managers. The end result will be more effective and appropriately targeted environmental regulation.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 0.33 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

What Is the Next Step in the Process for This ICR?

EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. At that time, EPA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

Dated: July 13, 2006.

Jennifer Ormezavaleta,

Acting Director, Western Ecology Division, National Health and Environmental Effects Research Laboratory, Office of Research and Development.

EPA Science Advisory Board Staff Office; Clean Air Scientific Advisory Committee (CASAC); Notification of Public Advisory Committee Meeting of the CASAC Ozone Review Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a public meeting of the Clean Air Scientific Advisory Committee's (CASAC) Ozone Review Panel (CASAC Panel) to conduct a peer review of the *Review of the National Ambient Air Quality Standards for Ozone: Policy Assessment of Scientific and Technical Information* (second draft Ozone Staff Paper, July 2006) and three related draft technical support documents: *Ozone Health Risk Assessment for Selected Urban Areas: Draft Report* (second draft Ozone Health Risk Assessment, July 2006); *Ozone Population Exposure Analysis for Selected Urban Areas: Draft Report* (second draft Ozone Exposure Assessment, July 2006); and *Draft Ozone Environmental Assessment: Exposure, Risk and Benefits Assessment* (draft Ozone Environmental Assessment, July 2006).

DATES: The meeting will be held from 8:30 a.m. (Eastern Time) on Thursday, August 24, 2006, through 3 p.m. (Eastern Time) on Friday, August 25, 2006.

Location: The meeting will take place at the Marriott at Research Triangle Park, 4700 Guardian Drive, Durham, NC 27703, Phone: (919) 941-6200.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wishes to submit a written or brief oral statement (five minutes or less) or wants further information concerning this meeting must contact Mr. Fred Butterfield, Designated Federal Officer (DFO), EPA Science Advisory Board (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via telephone/voice mail: (202) 343-9994; fax: (202) 233-0643; or e-mail at: butterfield.fred@epa.gov. General information concerning the CASAC or the EPA Science Advisory Board can be found on the EPA Web site at: <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background: The CASAC, which is comprised of seven members appointed

by the EPA Administrator, was established under section 109(d)(2) of the Clean Air Act (CAA or Act) (42 U.S.C. 7409) as an independent scientific advisory committee, in part to provide advice, information and recommendations on the scientific and technical aspects of issues related to air quality criteria and NAAQS under sections 108 and 109 of the Act. The CASAC is a Federal advisory committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The CASAC Ozone Review Panel complies with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Section 109(d)(1) of the CAA requires that the Agency periodically review and revise, as appropriate, the air quality criteria and the national ambient air quality standards (NAAQS) for the six "criteria" air pollutants, including ambient ozone. Pursuant to sections 108 and 109 of the Act, EPA is in the process of reviewing the ozone NAAQS, which the Agency most recently revised in July 1997. EPA's Office of Air Quality Planning and Standards (OAQPS), within the Office of Air and Radiation (OAR), has developed a second draft Ozone Staff Paper as part of its review of the ozone NAAQS. This second draft Ozone Staff Paper evaluates the policy implications of the key scientific and technical information contained in the Agency's final *Air Quality Criteria for Ozone and Related Photochemical Oxidants, Volumes I, II, and III*, (EPA/600/R-05/004aF-cF, February 2006), and identifies critical elements that EPA believes should be considered in its review of the ozone NAAQS. The Ozone Staff Paper is intended to "bridge the gap" between the scientific review contained in the Ozone Air Quality Criteria Document (AQCD) and the public health and welfare policy judgments required of the EPA Administrator in reviewing the ozone NAAQS. The Agency solicited early advice and recommendations from the CASAC Panel by means of a consultation on the *Review of the National Ambient Air Quality Standards for Ozone: Policy Assessment of Scientific and Technical Information* (first draft Ozone Staff Paper, November 2005) and two related draft technical support documents, *Ozone Health Risk Assessment for Selected Urban Areas: Draft Report* (first draft Ozone Risk Assessment, November 2005) and *Ozone Population Exposure Analysis for Selected Urban Areas: Draft Report* (first draft Ozone Exposure Assessment, October 2005). This consultation took place in a public meeting on December

8, 2005 in Durham, NC. The letter to the Administrator documenting that this consultative meeting occurred (EPA-CASAC-CON-06-003, dated February 16, 2006, is posted on the SAB Web site at: http://www.epa.gov/sab/pdf/casac_con_06_003.pdf. This meeting is a continuation of the CASAC Ozone Review Panel's advisory activities in this current review cycle for the ozone NAAQS.

Technical Contact: Any questions concerning the second draft Ozone Staff Paper and the second draft Ozone Health Risk Assessment, the second draft Ozone Exposure Assessment, and the draft Ozone Environmental Assessment should be directed to Dr. Dave McKee, OAQPS, at phone: (919) 541-5288, or e-mail:

mckee.dave@epa.gov.

Availability of Meeting Materials: The second draft Ozone Staff Paper and the three related technical support documents can be accessed via the Agency's Technology Transfer Network (TTN) Web site at: http://www.epa.gov/ttn/naaqs/standards/ozone/s_o3_index.html in the "Documents for Current Review" section under "Staff Papers" and "Technical Documents," respectively. In addition, a copy of the draft agenda and other materials for this CASAC meeting will be posted on the SAB Web site at: <http://www.epa.gov/sab/panels/casacorpanel.html> prior to the meeting.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for the CASAC Ozone Review Panel to consider during the advisory process. **Oral Statements:** In general, individuals or groups requesting an oral presentation at a public meeting will be limited to five minutes per speaker, with no more than a total of one hour for all speakers. Interested parties should contact Mr. Butterfield, DFO, in writing (preferably via e-mail), by August 17, 2006, at the contact information noted above, to be placed on the public speaker list for this meeting. **Written Statements:** Written statements should be received in the SAB Staff Office by August 17, 2006, so that the information may be made available to the CASAC Panel for their consideration prior to this meeting. Written statements should be supplied to the DFO in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, WordPerfect, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format).

Accessibility: For information on access or services for individuals with

disabilities, please contact Mr. Butterfield at the phone number or e-mail address noted above, preferably at least ten days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: July 17, 2006.

Anthony F. Maciorowski,

Associate Director for Science, EPA Science Advisory Board Staff Office.

Proposed CERCLA Administrative Cashout Settlement; In the Matter of the American Lead Smelting and Refining Site—Johnson Control, Inc.

AGENCY: Environmental Protection Agency.

ACTION: Notice; request for public comment.

SUMMARY: In accordance with section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9622(i), notice is hereby given of a proposed administrative settlement for recovery of past and projected future response costs concerning the American Lead Smelting and Refining site in Indianapolis, Indiana with the following settling party: Johnson Control, Inc. The settlement requires the settling party to pay \$159,750 to the Hazardous Substance Superfund. The settlement includes a covenant not to sue the settling party pursuant to section 107(a) of "CERCLA," 42 U.S.C. 9607(a). The settlement, however, does not provide the settling party with contribution protection. For thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the settlement. The Agency will consider all comments received and may modify or withdraw its consent to the settlement if comments received disclose facts or considerations which indicate that the settlement is inappropriate, improper, or inadequate. The Agency's response to any comments received will be available for public inspection at Martindale Wright Public Library, 2435 North Sherman Ave., Indianapolis, Indiana and 77 West Jackson Boulevard, Chicago, Illinois 60625.

DATES: Comments must be submitted on or before August 23, 2006.

ADDRESSES: The proposed settlement is available for public inspection at the EPA's Record Center, 7th Floor, 77 West Jackson Boulevard, Chicago, Illinois. A copy of the proposed settlement may be obtained from Peter Felitti, Associate Regional Counsel, U.S. EPA, Mail Code C-14J, 77 W. Jackson Blvd., Chicago, Illinois 60604, telephone number (312) 886-5114. Comments should reference the American Lead Smelting and Refining Site in Indianapolis, Indiana and EPA Docket No. VW-06-C851 and should be addressed to Peter Felitti, Associate Regional Counsel, U.S. EPA, Mail Code C-14J, 77 W. Jackson Blvd., Chicago, Illinois 60604.

FOR FURTHER INFORMATION CONTACT:

Peter Felitti, 77 West Jackson Boulevard, Chicago, Illinois 60625 or call (312) 886-5114.

Dated: July 13, 2006.

Douglas Balloti,

Acting Director, Superfund Division.

Excello Plating Co. and Glen Harleman; Notice of Proposed CERCLA Administrative Order on Consent

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; request for public comment.

SUMMARY: In accordance with section 122(I) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9622(I), the EPA is hereby providing notice of a proposed administrative order on consent ("AOC") concerning the Excello Plating Co. facility located at 4057 Goodwin Avenue, Los Angeles, California. Section 122(h) of CERCLA, 42 U.S.C. 9622(g), provides EPA with the authority to enter into administrative settlements. This settlement is intended to resolve the liability of Excello Plating Co. and Glen Harleman for EPA's response costs at the Excello Plating Co. facility. The settling parties will pay a \$43,000 (forty-three thousand dollars) to EPA.

DATES: EPA will receive written comments relating to the settlement for thirty (30) days beginning on the date this notice is published. EPA will consider all comments it receives during this period, and may modify or
