SUPPLEMENTARY INFORMATION: The surface owner of the following described lands has filed an application pursuant to section 209 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1719(b), for the purchase and conveyance of the Federally-owned mineral interest in the following described lands:

Effective immediately, the BLM will process the pending application in

On November 15, 2006, the mineral interests owned by the United States in the above described lands will be segregated to the extent that they will not be subject to appropriation under the public land laws, including the mining laws. The segregative effect shall terminate upon issuance of a patent or deed of such mineral interest; upon final rejection of the mineral conveyance application; or November 17, 2008, whichever occurs first.

Notice of Realty Action; Non-Competitive Sale of Public Land, Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: A 20.69 acre parcel of public land in Owyhee County, Idaho is being considered for direct (non-competitive) sale to Robert G. Bonnell, Allen H. Bonnell, and A. Lorraine Bjork under the provisions of the Federal Land Policy Management Act of 1976, at no less than the appraised fair market value.

DATES: Comments must be received by January 2, 2007.

ADDRESSES: Address all comments concerning this notice to Kelley Moore, BLM, Owyhee Field Office, 20 1st Avenue West, Marsing, Idaho 83639.

FOR FURTHER INFORMATION CONTACT: Kelley Moore, Realty Specialist, at the above address or phone (208) 896-5917.

SUPPLEMENTARY INFORMATION: The following described public land in

Owyhee County, Idaho, has been examined and found suitable for sale utilizing direct sale procedures under the authority of Section 203 and Section 209 of the Federal Land Policy and Management Act of 1976, (90 Stat. 2750, 43 U.S.C. 1713 and 1719):

Boise Meridian, Idaho

T. 6 S., R. 4 W.,
Sec. 11, lot 7.

The area described contains 20.69 acres in Owyhee County.

The 1999 BLM Owyhee Resource Management Plan identified this parcel of public land as suitable for disposal. On November 15, 2006, the above described land will be segregated from appropriation under the public land laws, including the mining laws, except the sale provisions of the Federal Land Policy and Management Act (FLPMA). The segregative effect will terminate upon issuance of a patent, publication in the **Federal Register** of a termination of the segregation, or August 13, 2007, whichever comes first.

The public land will not be offered for sale until January 16, 2007 at the appraised fair market value of \$5,175.00. A copy of the approved appraisal is located at the above address. The patent, if issued, will be subject to the following terms, conditions and reservations: (1) A reservation to the United States for ditches and canals; (2) a right-of-way for continued public access; and (3) a Memorandum of Agreement between BLM, the sale proponents, and the Idaho State Historic Preservation Office.

This land is being offered by direct sale to Robert G. Bonnell, Allen H. Bonnell, and A. Lorraine Bjork, pursuant to 43 CFR 2711.3-3 to resolve inadvertent unauthorized occupancy of the public lands. The buildings that occupy the public lands have been in existence since the mid 1800's and were purchased by the Bonnell family at a sheriff's auction in 1929. It has been determined they are eligible for inclusion on the National Register of Historic Places. The historic value of the buildings could potentially be lost if they were removed from their current location, as removal would in effect destroy them and their value as a part of several historic mining eras.

In the event of a sale, the unreserved mineral interests will be conveyed simultaneously with the sale of the land. These unreserved mineral interests have been determined to have no known mineral value pursuant to 43 CFR 2720.2 (a). Acceptance of the sale
