

- Prevent and/or reduce substance abuse and its related problems—*e.g.*, underage drinking, inhalent abuse, cannabis use and abuse, drug-related suicide, alcohol and drug abuse among young adults, misuse of alcohol and prescription drugs among the elderly, and HIV/substance abuse problems.

- Change policies and practices at the community level to reduce risk factors and/or increase protective factors across multiple domains—*e.g.*, workplace, schools, and neighborhoods.

- Address emerging substance abuse problems—*e.g.*, methamphetamine, over-the-counter drugs, fentanyl and other synthetic drugs.

#### Center for Substance Abuse Treatment (CSAT)

CSAT Priority Areas focus on interventions to treat adolescents and adults with alcohol and/or drug disorders that are delivered as part of one or more of the following types of services:

- Screening, brief intervention, and referral.
- Outreach and engagement.
- Treatment and rehabilitation.
- Recovery support.
- Continuing care, self-care, and/or aftercare.

#### Center for Mental Health Services (CMHS)

CMHS Priority Areas focus on interventions to:

- Foster consumer- and family-provided mental health services.
- Divert adults with serious mental illness and/or children and adolescents with serious emotional disturbances from criminal and juvenile justice systems.
- Develop alternatives to the use of seclusion and restraint for adults with serious mental illness and/or children and adolescents with serious emotional disturbances.
- Prevent suicide in specific age groups (*i.e.*, adolescents, young adults, elders).

#### Exclusions From NREPP

The following types of interventions should not be submitted to NREPP:

1. Stand-alone pharmacologic treatments—The evidence base for pharmacologic treatments is reviewed and approved through the U.S. Food and Drug Administration (FDA). NREPP reviews will be limited to on-label use of FDA-approved pharmacotherapy interventions that are combined with one or more psycho-social treatments.
2. Stand-alone smoking cessation—Smoking cessation interventions are appropriate for NREPP review only

when they are conducted as part of a program for treatment of alcohol or other drugs of abuse.

#### Availability of NREPP Review Funds

It is essential that all individuals and organizations submitting an intervention for potential NREPP review fully understand that reviews are contingent upon both the number of submissions received and the availability of NREPP contract resources. SAMHSA cannot guarantee the review of any specific submission.

#### Submission Guidance

SAMHSA has established an initial 4-month period for receipt of NREPP submissions that will begin October 1, 2006, and end February 1, 2007. Interventions submitted after February 1, 2007, will not be considered for NREPP review.

Any individuals or organizations whose submitted interventions are not selected for NREPP review may need to resubmit their materials should they wish to be considered for potential NREPP review during a subsequent fiscal year.

In the event that the total number of submitted interventions in one or more areas (*e.g.*, mental health treatment) is unlikely to exhaust the annual NREPP contract review funds in that area, it is possible that SAMHSA would establish a second submission period in that area(s). If so, SAMHSA would publish information about this second submission period in a subsequent **Federal Register** notice.

#### Ordering and Priority of Submissions for Review

All submitted interventions meeting the three minimum requirements noted above will be considered for potential NREPP review.

Submitted interventions obtaining two priority points will be considered for potential NREPP review before those submitted interventions obtaining one priority point, and submitted interventions obtaining one priority point will be considered for potential NREPP review before those submitted interventions obtaining zero priority points. The number of interventions actually reviewed will depend upon available contract resources.

After ordering submitted interventions based on priority points obtained, consideration for potential NREPP review will be based on the order in which submitted interventions are received by the NREPP contractor (MANILA Consulting Group) during the 4-month submission period. For example, among substance abuse

prevention interventions, all submissions with two priority points will be considered higher in the queue than submissions with one priority point, but among those with two priority points, an intervention received by MANILA Consulting Group on November 15, 2006, will be higher in the queue for potential NREPP review than an intervention received on January 15, 2007.

#### Contact Regarding Submissions

Individuals and/or organizations interested in submitting an intervention for NREPP review should contact the NREPP contractor, MANILA Consulting Group, to express this interest. Staff from MANILA will then provide further guidance and details about the submission process as appropriate. Electronic correspondence (e-mail) is preferred and can be sent to [nrepp@manilaconsulting.net](mailto:nrepp@manilaconsulting.net). Interested parties can also contact MANILA by phone at (571) 633-9797.

BILLING CODE 4160-01-M

## DEPARTMENT OF HOMELAND SECURITY

### Office of the Secretary

[Docket Number: DHS-2006-0016]

### Critical Infrastructure Partnership Advisory Council

**AGENCY:** Preparedness Directorate, Office of Infrastructure Protection, Department of Homeland Security.

**ACTION:** Committee Management: Notice of CIPAC Committee Membership.

**SUMMARY:** The Department of Homeland Security announced the establishment of the Critical Infrastructure Partnership Advisory Council (CIPAC) by Notice published in the **Federal Register** on March 24, 2006 ("First CIPAC Notice"). That Notice identified the purpose of the committee as well as its membership. This Notice identifies the institutions currently serving as CIPAC members. This Notice also identifies the government entities that comprise the Government Coordinating Council for each sector.

**FOR FURTHER INFORMATION CONTACT:** Brett Lambo, Infrastructure Programs Office, Infrastructure Partnerships Division, Office of Infrastructure Protection, Preparedness Directorate, United States Department of Homeland Security, Washington, DC 20528, telephone (703) 235-5311 or via e-mail at [brett.lambo@dhs.gov](mailto:brett.lambo@dhs.gov). *Responsible*

*DHS Official:* Nancy J. Wong, Director, Infrastructure Programs Office, Infrastructure Partnerships Division, Office of Infrastructure Protection, Preparedness Directorate, United States Department of Homeland Security, Washington, DC 20528, telephone (703) 235-5349.

**SUPPLEMENTARY INFORMATION:** On March 24, 2006, the Secretary of the Department of Homeland Security (DHS) published notice in the **Federal Register** (71 FR 14930) announcing the establishment of the Critical Infrastructure Partnership Advisory Council (CIPAC). That first CIPAC Notice identified the CIPAC's intended purpose as facilitating interaction between representatives of government and the community of critical infrastructure and key resources (CI/KR) owners and operators in each critical sector. As set forth in that notice, that interaction will include the following activities: "planning; coordination; security program implementation; operational activities related to critical infrastructure protection security measures, including incident response, recovery, and reconstitution from events both man-made and naturally occurring; and the sharing of information about threats, vulnerabilities, protective measures, best practices, and lessons learned."

CIPAC is designed to include as many of the owners and/or operators and the owner and/or operator representative trade associations deemed by each sector's Sector Coordinating Council (SCC) as necessary participants in the activities described in the March 24, 2006 Notice. That first Notice provided a list of the CIPAC membership from each sector as of that date. That first Notice also stated that the CIPAC Executive Secretariat would work with each SCC's leadership and with the Sector Specific Federal Agency for each sector to compile a list of the CIPAC SCC members from each sector. It further stated that the Department would publish a subsequent Notice identifying these additional members of the CIPAC.

Consistent with that statement, this second Notice announces the current membership. This notice also contains the government entities that comprise the Government Coordinating Council for each sector. CIPAC membership identification is an ongoing process. Some sectors are currently in the process of organizing themselves and will provide additional names to DHS as they develop. Upon review to ensure that the entities provided meet the definition of CIPAC membership

contemplated by the Department (*i.e.*, that the institutions identified are, "owners and/or operators or trade associations representing the interests of owners and/or operators that own and invest in infrastructure assets, in the systems and processes to secure them, and that are held responsible by the public for their operations and the response and their recovery when their infrastructures or key resources are disrupted"), the institutions accepted as members of the CIPAC will be added to the CIPAC membership roster published on the CIPAC Web site (<http://www.dhs.gov/cipac>). That CIPAC Web site will maintain an updated list of all Sector industry/institutional CIPAC membership, all government entities involved in CIPAC, and the membership of all formal task force and working group entities established and acting within CIPAC. Quarterly, the Department will publish in the **Federal Register**, instructions how the public can obtain the most current roster of CIPAC membership as well as the membership of all formal task force and working group entities within CIPAC.

Dated: June 20, 2006.

**Nancy J. Wong,**

**BILLING CODE 4410-10-P**

## **DEPARTMENT OF HOMELAND SECURITY**

### **Coast Guard**

**[USCG-2005-22837]**

### **Nationwide Automatic Identification System, Draft Programmatic Environmental Impact Statement**

**AGENCY:** U.S. Coast Guard, Department  
of Homeland Security.

**ACTION:** Notice of availability; notice of  
public meeting; request for public  
comments.

**SUMMARY:** The U.S. Coast Guard (USCG) announces the availability of the draft programmatic environmental impact statement (PEIS) addressing the proposed implementation of the Nationwide Automatic Identification System (NAIS) project. The proposed implementation of the NAIS project would involve installing receivers, transmitters, transceivers, repeaters, and other equipment on towers or other structures at up to 450 sites at locations along 95,000 miles of coastline and inland waterways, as well as the use of selected remote platforms. The USCG requests public comments on the draft PEIS.

**DATES:** One public meeting concerning the draft PEIS is planned. The public meeting will be held on Wednesday, August 9, 2006 in Washington, DC. The public meeting will begin at 9 a.m. and is scheduled to end at 11 a.m. The public meeting may end earlier or later than the stated time, depending on the number of persons wishing to speak. Comments and related material submitted in response to the request for public comments must reach the Docket Management Facility on or before August 14, 2006.

**ADDRESSES:** The public meeting will be held at the USCG Headquarters building (Transpoint Building), 2100 Second Street, SW., Washington, DC 20593.

You may submit comments identified by Coast Guard docket number USCG-2005-22837 to the Docket Management Facility at the U.S. Department of Transportation (DOT). To avoid duplication, please use only one of the following methods to submit comments or other materials:

(1) *Web site:* <http://dms.dot.gov>.

(2) *Mail:* Docket Management Facility, U.S. Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590-0001.

(3) *Fax:* 202-493-2251.

(4) *Delivery:* Room PL-401 on the Plaza level of the Nassif Building, 400 Seventh Street SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except holidays. The telephone number is 202-366-9329.

(5) *Federal eRulemaking Portal:*  
<http://www.regulations.gov>.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this notice, please call or e-mail Anita Allen, Ph.D., NAIS Environmental Manager, at 202-474-3292 or [aallen@comdt.uscg.mil](mailto:aallen@comdt.uscg.mil). If you have questions on viewing the docket, call Ms. Andrea M. Jenkins,
